Re. Seed Grain Lien against
N. E. 1/4 Sec. 4. Town. 17. Range 25. W. 4th. M.

Last Spring the tenant of the above described property, Mr. John R. Brandt, obtained seed grain from the Government through the owner of the property Mr. W.M. Pratt and covenanted with the said owner to pay the seed grain lien out of his share of the crop. Mr. Pratt was represented in the matter by Mr. Arthur Mitchell of this village who held a Power of Attorney from him.

Mr. Brandt [illegible] to be [illegible] and to avoid the payment of this seed grain lien and therefore notified the Elevator Companies [illegible] Brandt's liability thereunder because the lien showed the owner Pratt to be liable. In reply to your letter of the 17th inst., I beg to advise you that this lien is shown on the Calgary list, page 18, and I am advising the elevator mentioned in your letter of this indebtedness, as you are aware, their instructions are to collect the half only this year, unless I have good and sufficient reasons showing that the whole amount should be collected. I believe if your client would take the matter up with Mr. Branson, arrangements could be arrived at whereby he would pay the full amount of the indebtedness amounting to $292.05 with 5% interest from March 15th, to date of payment.

Dear Sir:-

Re. Seed grain lien against NE 1/4. 4-17-25-W-4th. M.
Your file No. 202/3116.

I am in receipt of your letter of the 23rd. inst. in reference to the above matter and note contents. It would seem to me that this would be one of the instances when the whole amount should be collected as if Mr. Branson is not forced to pay this lien in full this fall there is little chance that we will ever pay it as his lease has expired and he will probably leave the country with the result that the owner will be stuck with the balance of this lien.

I have already taken the matter up with Mr. Ramsay and he has assured me of course that he intends paying it in full but he is a man who has absolutely nothing except the grain and if this lien is not collected from him by the Elevator Commission I cannot think there is much chance of him keeping his promise. This is a matter of course wholly with in your discretion but it seems to me that this owner was given the lease for the accomodation

Re: [illegible] of 4-17-[illegible]-[illegible]th-W.

I beg to advise you that as you are a renter only on the above described land it will be necessary for you to pay the full amount of your seed grain indebtedness at the time you market your crop, as the owner does not wish this lien to remain against your land any longer than it will be necessary for you to market your crop. Kindly give this your attention.

debt, and he is also thereby mentioned as binding himself not to apply for the patent for the land until payment of the debt has been made. The fact is, however, that such patent was issued in favour of Mr. Pratt upon the 16th October, 1908.

The lien was not executed by Mr. Bremson, but was executed by "Wm. Pratt per A. Mitchell, Att." Upon referring to the power of attorney, however, under the authority of which Mr. Mitchell executed such lien as attorney for Mr. Pratt, and of which a copy is on file here, it is noted that Mr. Mitchell is not so empowered thereby.

Consequently it appears that any proceedings which may have to be taken to collect this debt will have to be taken against Mr. Bremson personally, or against the purchasers of the crop which he obtained by the sowing of the seed grain advancedto him. It is understood that he has disposed of the most of this seed grain, but that he has yet in his possession a portion of it. The lien is of course a prior charge against the crop.

You are first to try and have Mr. Bremson settle the debt amicably, but if he does not do so you are to have the necessary legal action taken immediately.

The Solicitor General has named Messrs. Tweedie and McMillivray, Barristers, of Calgary, and Mr. Alex. Addington and Mr. A. .Ballachy, Barristers, High River, as the lawyers who are to be employed with regard to seed grain actions arising in your District, and you should therefore entrust this case to Messrs. Tweedie and McMillivray or to Mr. Addington or Mr. Ballachy, if the present residence of Mr. Bremson is nearer to High River than it is to Calgary. If Mr. Addington or Mr. Ballachy is selected, the other of them is to be selected for the next case where the debtor

Ottawa. 11th March, 1915.

Sir,

I am directed to instruct you to have immediate action taken to secure payment of Mr. John R. Branson's seed grain indebtedness, which according to the records of this Department, amounts to $111.00 for 74 bushels of wheat advanced to him, and $181.05 for 217 bushels of oats advanced to him, in all $292.05, together with interest on that amount at 5% per annum from the 25th March, 1915.

At the time Mr. Branson obtained such seed grain he held the W½-4-17-25-W.4th M., under a lease from the patentee, Mr. William E. Pratt, and although it is stated in Mr. Branson's application for the seed grain that he only held the above mentioned land "under lease from Mr. Pratt" it is described as his homestead in the lien which was executed to secure payment of the above mentioned amount of $292.05 with interest from the 25th March, 1915.

That lien is, however, very irregularly prepared. In fact it is not correctly prepared, and it is very doubtful if it is a legal charge against the above mentioned land. Mr. Branson is first named in the lien as the person who made it and as the person who thereby agreed to pay such

Dear Sir:-

Re seed grain lien against N.E. ¼ 4-17-25 W. 4th, John Branscn.

You will remember that in November last I had certain correspondence with you in reference to the above lien. Mr. Pratt the owner of the above described land, has just been in to see me and states that he has been informed on good authority that Mr. Branson is selling his oats privately in order, apparently to avoid payment of this lien.

When Branson was delivering his wheat last fall, I endeavoured to have the elevator companies here collect the amount of this lien, but they claimed they could not do so as they had no record of it on their lists, hence my correspondence with you. By the time they had received notice from ypu, Branson had all his wheat sold and all he has left is approximately 1500 bushels of oats. Pratt is afraid that if steps are not taken by your department to seize these oats, Branson will dispose of them without putting them through the elevators et all because as stated above. Pratt learned a few days ago that this is actually what is going on. I wish therefore you would set the necessary machinery in motion to f rce Branson to pay this lien.

Branson is now living on a place he has rented for the winter about a couple of miles from the above described property and has the oats or what is left of them in a bin on the same property. Kirdly let me hear from you.

to collect from Branson. I informed him the lien was against his land and it was up to him to collect from Branson as the Governement had no cause for worry. I then called on Mr. Branson, he informed me he would not pay for seed grain unless he had to as he never sighed the lien. I explained to him how he had used the seed and disposed of it and got his cash.

There is a mortgage of $1200. against the said quarter and the Government lien. Said land is worth at least $3000. Mr. Branson has no land but has a wife and four small children and seems very poor. Mr. Branson threshed 1100 bushels of wheat and 2400 bushels of oats, he had about 1100 bushels of oats in his possession at the present time, he also has 2 head of cattle and 3 head of horses and 20 hogs.

Mr. Pratt is much better off than Mr. Branson and you hold the security on his land. I would advise you to spend no more money in trying to collect from Branson, but let Mr. Pratt get after him.

Mr. Branson then hauled what oats he had left, some ten or twelve hundred bushels to this house he rented from Mr. Flood. Mr. Branson still has said oats in his possession in a grainary with no roof, said oats are covered with snow.

I called on the Manager of the Canadian Bank of Commerce, at Vulcan, to see if either Mr. Pratt or Mr. Branson had any money to their credit, or if I could get either of these gentlemen to come to the bank to raise the money, if he would advance it to them, he positively refused, stating that they both were so crooked and had nothing to offer for security, he wouldn't help them out in any way, he knew both so well. I called on Mr. Pratt then, he had no money, he claimed Mr. Branson was supposed to pay seed grain lien and it was up to the Government to

Sir;

Referring to your letter of the 2nd inst., I beg to say that I called at said land, but before making the visit I called on Mr. S. D. Skene, Barrister, of Vulcan, I interviewed him and found out that this man Branson had leased from Mr. Pratt the above land, February 1913, for a term of three years. In December 1915 Mr. Skene through Mr. Pratt put Mr. Branson off thts land. Under date of March 25th, 1915, Mr. Branson wanted said grain and Mr. Pratt owner of the said land was working in the States, before going to the States Mr. Pratt gave Mr. Arthur Mitchell, a Notary Public, in Vulcan, Power of Attorney to do his business while he -Pratt- was absent. When Mr. Mitchell found out that Mr. Branson wanted seed grain he wrote Mr. Pratt regarding the lien. Mr. Pratt wrote Mr. Mitchell that it would be alright to sign and let Mr. Branson get the seed. Mr. Branson received the seed grain, sowed and harvested it. Mr. J. A. Smith, of Vulcan, threshed it on November 3rd and 4th, 1915, and

re S.E.¼ of 4-17-25-4

I have been consulted by Mr John R. Branson of Vulcan with reference to your demand for repayment of the price of Seed Grain sown on the above land. Your Inspector here has notified the elevator operators to deduct the price of the seed grain from any crop delivered by Mr Branson. The position of the matter is as follows:-

Mr Branson was tenant of the above land for the season of 1925 one third of the crop being the property of the proprietor William Pratt. Said grain was not got by Branson but by Pratt account his attorney Arthur Mitchell of Vulcan, and a lien was on the land for same. In terms of the lease between Pratt Branson, Pratt agrees to supply seed grain and to obtain same the government and to guarantee payment of the said seed grain agreed to reimburse Pratt for the price or same from his of the crop. Branson has now settled with Pratt for all for the lease, and it would be very unfair if pay his seed grain twice. The price should have been from Pratts share of the crop and in the event the there is a lien against Pratt's land for same. following is a copy of the receipt signed by Pratt which got from him at settlement.

Received from John R. Branson [illegible] Dec 27th 1925
Pratt all claims I have against him arising out of the lease of S.E.¼ -17-25-4 or for any other claims whatsoever.
(Signed) William T. Pratt.

Under the circumstances I trust you will instruct your Inspector that Branson is not liable for the seed grain. Pratt and Branson have [illegible] duly and under the circumstances, it is [illegible] seed grain should. Pratt is in duty bound [illegible] before having

Sir,

I am directed to refer to my letter to you of the 22nd ultimo, respecting the seed grain indebtedness of John R. Branson secured by lien executed by William L. Pratt by his attorney, Arthur Mitchell, and to inform you that since that letter was prepared, the letter which Mr. P.W.L.Clark of Vulcan, addressed to Mr. J. Bruce Walker upon the 6th ultimo, and of which a copy is enclosed herewith, has been attached to the file which relates to the land in question, the NE¼-4-17-25-W.4th M.

That letter was not attached to the above mentioned file until after my letter of the 22nd ultimo was prepared, nd mailed to your address. If it had been attached to such file promptly after its receipt here, as it should have been, you would not have been instructed to take steps to collect the debt in question first from Mr. Branson, if possible, and if not, then from Mr. Pratt. Apparently the procedure should be reversed.

You are therefore to ascertain exactly what the position of this case is, and if the facts are as stated by Mr. Clark, and there appears to be no reason for questioning their correctness, the first effort to collect the debt should be against Mr. Pratt. Of course if that effort fails, Mr. Branson must be pressed for payment.

Sir,

Re Seed Grain Loans.

With reference to your letter of the 22nd of April last, addressed to Mr. J. Bruce Walker, Commissioner of Immigration at Winnipeg, and submitted here by the Department at Ottawa, for attention, I have been directed to inform you that by letter from the Department, this office was advised that after [illegible] investigation in the matter of the seed grain loans to [illegible], it had been decided that the whole debt, with interest to the date of payment, should be collected without delay. The Department advised to place the whole matter in the hands of Mr. A. A. Mullaney, Barrister, High River, who is acting for them, so that he might make an effort to collect this debt, and in the event of failure, that he might commence and carry to judgment, without further delay, such legal proceedings against yourself, as he might deem advisable.

Your obedient Servant,

Agent.

Dear Sir :-

Yours of Dec. 4 th. received few days ago and contents noted. We just has 10 acres of wheat in this year, the rest all being summer fallow, on account of weeds. By the time the threshing bill was paid, all we have left is enough to seed. Next years I am in hopes will bring enough to pay off said seed grain lien. There will be over 100 acres in next year. I am sorry I could not meet said payment as the Collector requested, as he knew just what we had in. There was just 10 acres in, so you can judge of what we had. Hoping this will meet with approval.

Re. NE 4-17-25-4

I beg to acknowledge receipt of your communication of the 19th instant, in which you state you will not be able to retire the seed grain indebtedness charged against the above land from the proceeds of this year's crop, as the total area under cultivation is only twenty acres, the remainder of your land being summer fallowed for cropping next season. I would remind you that this indebtedness has been outstanding for over ten years, and the Department has been very lenient in the effort to collect. You should make your maximum effort to at least reduce the amount of the debt. An Inspector visited your land recently, and expressed the opinion that a payment could be made, and I would, therefore, ask you to again communicate with this office advising if you are able to make a payment on account from some source other than the crop.

Dear Sir:

RE: William Michael Pratt, dec'd.

The above named deceased died recently owning this property. He left a widow and this land, which is subject to a mortgage, appears to be all this estate. On obtaining an abstract, I notice there is a seed grain lien registered against the quarter for $292.05 and it seems to have been registered by a party named J. R. Branson. I am at loss to understand how this lien can have been filed, as Mr. Branson has never been the owner of same. The date of the instrument is the 25th March 1915, and was registered on the 30the March 1915 as Number 4357 B. G.

I shall be glad if you will instruct the Registrar to remove this lien.

Sir,

Re: William Michael Pratt, dec'd.
N.E.¼ 4--17--25 W.4th Mer.

I beg to acknowledge receipt of your letter of the 6th instant, and copy of a communication from you dated 8th April last, of which there is no evidence on this file. An effort, however, will be made to trace the original which may have been ~~incorrectly~~ placed on some other file owing to the land description being omitted.

In the meantime I might state in answer to the question raised as to the authority of J.R. Branson who apparently raised a crop from seed grain advanced to William W. Pratt, the lien covering the said advance, which amounted to the sum of $292.05, was executed on the 30th March, 1915, under Power of Attorney of Arthur Mitchell. The evidence would indicate that J.R. Branson was merely the instrument through which the land was farmed and the crop grown. Mr. Mitchell, it appears, was the attorney of Mr. Pratt who was then residing at Billings, Montana. The evidence would indicate that the lien for $292.05, given by Wm. M. Pratt under Power of Attorney of Arthur Mitchell, was properly executed and a legal charge against the land.

I might further add for your information that from the evidence on file John R. Branson evidently held a lease for the land from Mr. Pratt which, of course, would not entitle him to charge the land with any lien executed by him.

Your obedient servant,

Acting Commissioner of Dominion Lands.

Sir,

I beg to acknowledge the receipt of your letter of the 14th instant with accompanying General Registration Certificate. It is noted therefrom that the lien of $292.05 has apparently been registered in duplicate against the title and as explained in my communication of the 10th idem the lien is a proper charge against this land, which was executed by Arthur Mitchell as Power of Attorney for William Michael Pratt. J. A. Branson, being a renter on the land, was merely instrumental in placing the quarter-section under crop from the advance so obtained.

Attached herewith is a statement showing the standing of this account, and on payment in full being received the lien for $292.05 and duplicate registration thereunder will be duly removed.

I might further add that a search has failed to locate your communication of the 6th April last, copy of which was forwarded with your letter of the 8th instant. However, the desired information has been given in recent correspondence.

Acting Commissioner of Dominion Lands.

I beg to acknowledge receipt of your letter of the 27th ultimo, wherein it appears that Mrs. Pratt, the widow, had no knowledge of the Power of Attorney given in this case, and for her information I am pleased to furnish a copy of the document on file.

It is noted also that you make representations on behalf of Mrs. Pratt that owing to age and financial circumstances some consideration be extended her for a reduction of the indebtedness.

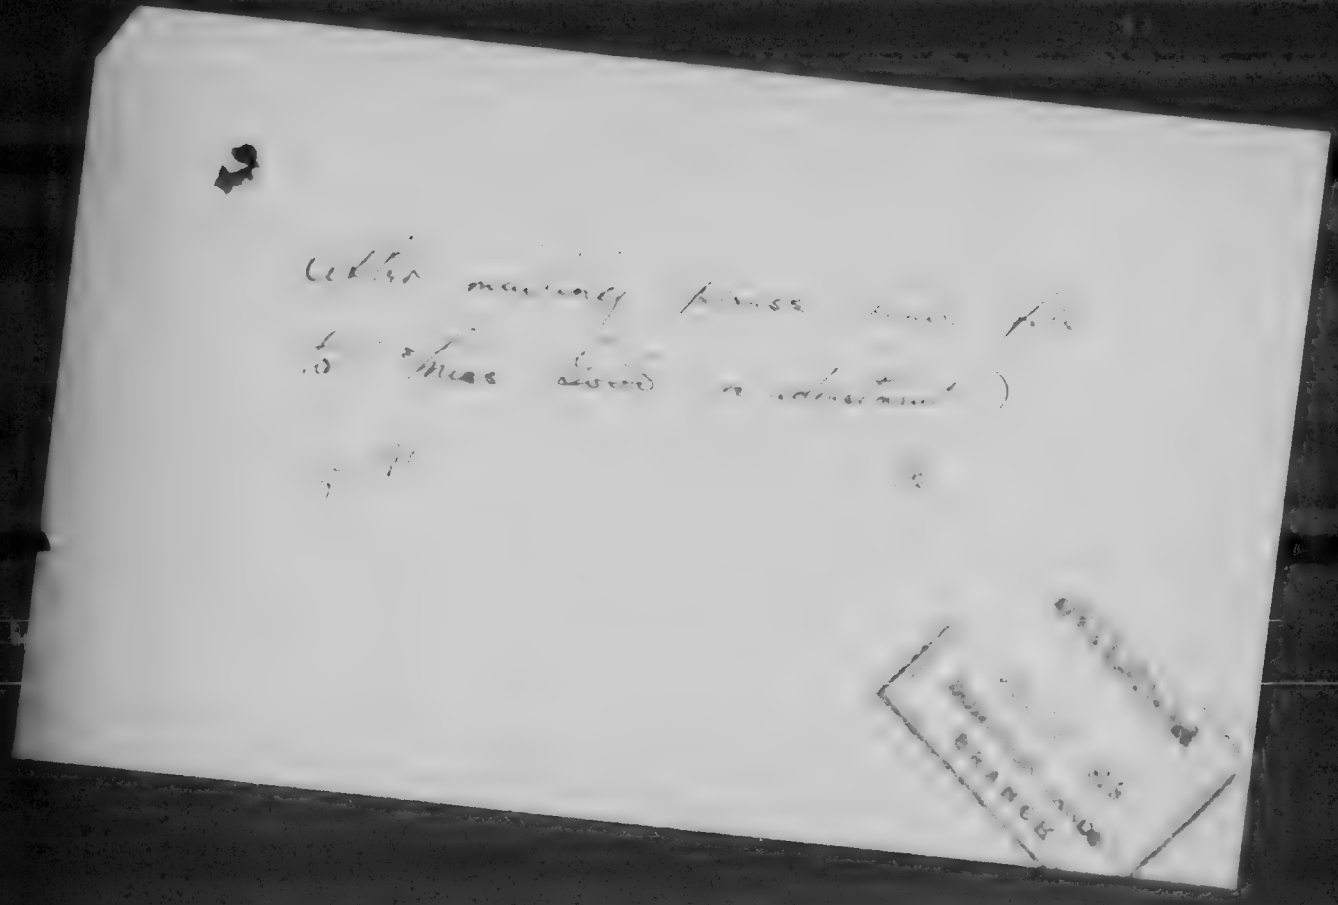

In view of these circumstances, the matter will accordingly be referred to the Adjustment Board for investigation and recommendation. On receipt, therefore, of their report you will be advised when a decision has been reached.

This was the homestead of William H. Pratt, patent to which was issued in his name on the 14th October, 1906. Search Letter obtained in 1924 showed title still standing in the Patentee's name subject to the Lien.

Representations have been made by Herbert J. Haber, Barrister of Vulcan, Alta., to the effect that William H. Pratt died recently, leaving a widow, and this land, which is subject to a mortgage, appears to be all his estate. He states that he is at a loss to understand the registration of the Dominion Lien as according to his instructions Mr. Pratt never obtained any advances of grain or relief from the Crown nor did he consent to the terms, to S. Branson to whom the advances appear to have been made, doing so.

He has been advised that the Lien is a proper charge for, as stated above, it was signed by Arthur Mitchell under Power of Attorney from William H. Pratt, and J. S. Branson, being a renter on the land, was merely instrumental in placing the Quarter-section under crop from the advance so obtained.

Re: Account of Wm. W. Pratt,
N.E.¼ 4-17-23-W4.

Dear Sir:

During the year 1911 while homesteading the above mentioned land, Mr. Wm. W. Pratt received seed grain as a loan from the Government of Canada. The loan was secured by a lien on the title of the land of which we understand you are now the registered owner. We doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $604.64 of which $229.60 is principal and $375.04 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

Re: Account of William M. (W.) Pratt
N.E., 4-17-25-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain amounting to $292.05 was advanced to William M. (W.) Pratt on the security of the above-mentioned land. Payments of $23.20 and $200.00 were received in 1917 and 1930, respectively and applied to the principal and interest. The present standing of this account is:-

Principal	Interest	Total
$289.65	440.21	$729.86

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for Seed Grain, Fodder for Animals and other Relief.

Therefore, it is recommended that the Dominion indebtedness listed above be cancelled without any payment, and the liens be discharged.

Sir:-

I enclose ye. copy of a letter received at this office from . . Yeomans, Manager, Grant & Guarantee Co. Ltd., Calgary.

The file returns to the letter is a chattel mortgage for 5[illegible] bushels of oats @5c per bushel supplied [illegible] at Letsbridge on June 14th. The declaration of the witness, W. L. Smith, was taken before you.

As there are, apparently, no other returns than the chattel mortgage on file at this office please give me all the information you can in connection with the advance of seed grain; if possible, say who supplied the oats and on whose authority they were supplied. The name. Heywood Welsh, does not appear on the 1921 voters lists for either Letbridge or Hro., and the amount - bushels - would indicate that the [illegible] must locally.

Sir:-

I am in receipt of your letter of the 19th inst., in reply to my inquiry regarding the 50 bushels seed oats supplied Maymont Welsh for the Fall of 3-11-22- -4th.

I am also in receipt of a letter from the Alberta Branch, Calgary, of the Trusts & Guarantee Company, Ltd., in connection with the amount of this advance being registered against the Fall 3-11-22-W-4th. They say in part :- "Upon investigation at the Land Titles Office we found that the matter of this lien was Warren Welch and as this party had no right to make a lien on this property, we claim that the Synod were the registered owners, we shall be glad to know how this matter came about and to hear what steps are being taken to remove same." Under these circumstances it is absolutely necessary to collect the amount of the lien at once so that the encumbrance on the land mentioned be de-registered. Please see Maymont Welsh in regard to the payment of the amount.

I have, within the past few days, received two communications from the Trusts & Guarantee Co., and they are pressing for an immediate de-registration of the lien. I want your reply before communicating with this Company again.

Sir,

I beg to advise you that Mr. H. G. Ridley the homesteader of the N.E., of Section 1, Township 9, Range 16, West of the 4th. meridian has made application for patent claiming the following residence; from the 8th June 1908 to the 14th of December 1908 and from the 1st of June 1909 to the 1st of June 1910. Evidence has been furnished by Alma Pearson corroborating the homesteader's statements. Mr. Ridley states that he is unable to secure evidence by another settler to cover the time during which he had been in residence as the homesteaders in that vicinity performed their duties by residing in the hamlet of Taber and are not therefore familiar with the dates upon which he was in residence on his homestead.

Be good enough therefore to visit this land and furnish a report setting forth the manner in which the residence duties have been complied. You should also endeavor to secure what evidence you can from parties in Taber, who may be in a position to know the residence claimed by the homesteader.

MEMORANDUM:-

This is an application for patent corroborated by only one witness. The homesteader states his inability to furnish other evidence, and the report of the Homestead Inspector shows this to be the case, as there has been no one living in the vicinity in a position to certify as to residence.

The Act requires that an application should be corroborated by two witnesses, and I find no authority for accepting it under the circumstances, besides which it would be a very dangerous precedent to establish.

I think that the only course is to advise Mr. Ridley to the foregoing effect.

Respectfully submitted,

Ottawa 27th November, 1911.

Sir,

I beg to return herewith the application for patent of Mr. Harvey C. Ridley for the North East ¼ of Section 2, Township 9, Range 16, West of the 4th Meridian, your reference 58191, and I am to point out that this application for patent was submitted in view of the fact that one witness had only been furnished. It was pointed out that the homesteader stated his inability to furnish other evidence and it was also apparent that the Homestead Inspector supported him in this on account of no one having been living in the vicinity who was in a position to certify as to the homesteader's residence.

As you are aware the act requires that an application should be corroborated by two witnesses and there is no authority for accepting the present application for patent.

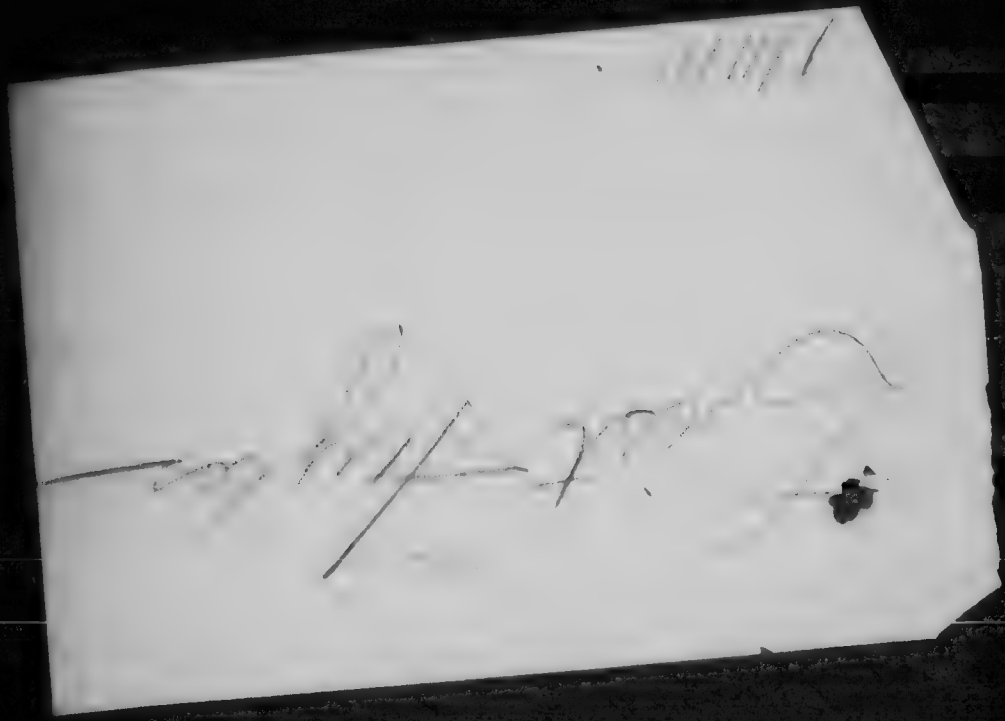

You will be good enough to communicate with Mr. Ridley accordingly.

Your obedient servant,

Assistant Secretary.

MEMORANDUM:

You had this application for patent before and you will see your memorandum to Mr. Greenway of the 22nd of November last.

The Agent was communicated with in accordance with your memorandum and you will now notice what Mr. Gordon Ridley states in his letter in this case. Why could witnesses who live in Taber not be entitled to furnish evidence in this case under the circumstances? The town of Taber is situated in the same Township as the homestead and under the circumstances it seems to me the witnesses might be accepted. However I suppose the matter could be left to the Agent to decide as to the actual eligibility of the witnesses.

When legal subscribers app. pat. the eligibility of witnesses can be questioned. Otherwise evidence of serv. of duties must be forthcoming

Respectfully submitted,

I beg to enclose herewith a copy of a communication addressed to the Department by Mr. Gordon Ridley in regard to the witnesses which he proposes to furnish in support of his application for patent for the North East ¼ of Section 2, Township 9, Range 16, West of the 4th Meridian, your reference 58191. You will notice that the homesteader states he is unable to produce a witness who is, at the same time, a homesteader and living in the neighbourhood of his own land as there are none in the locality but he suggests witnesses who reside in the Town of Taber which is situated in the same township as the homestead. I am to request that you will be good enough to instruct the Homestead Inspector to call upon the witnesses which the homesteader may suggest to him and carefully interrogate him paying particular attention to their evidence. When this report is received from the Inspector with the evidence of the witnesses the matter can then be gone into again but the Inspector should

DEBT ADJUSTMENT ACT, ALBERTA

Relief Indebtedness.

This man, I find, has been resident in the Labor district for twenty-one years, and has had very hard luck in his farming operations, due to either drought or hail, but, thanks to the adjustment given him by the Reference Committee and the Board, there seems to be a possibility of him coming out on top eventually.

Dealing therefore that he is worthy of assistance, and taking into consideration the other compromises, I would recommend that his offer to the Provincial Government in respect of his Seed Grain and Relief indebtedness be accepted, and that, if and when, the notes now held by the Government are paid, representing in all a total of $700.00, that this be accepted in full settlement of his account, and that any balance outstanding after the application of this $700.00 be written off, and the securities be given, released.

IN YOUR REPLY REFER TO FILE No 66.M.1.

EDMONTON, ALBERTA

Dec. 6th 1928.

Dear Sir:- Re:- M.J. Ridley - NE 2-9-16-4.
Provincial Seed Grain and
Joint Relief.

This party has made application for an adjustment of his indebtedness in the above connection, which with interest computed to August 31st 1928 amounted to $1,452.69, comprised:

Seed Grain	$957.71
Relief	494.98

and represents the amount with accrued interest due in respect of the undermentioned advances:

Seed Grain	$7702	14/4/20	$398.90
	2556	4/4/19	300.25
Relief	4403	16/4/20	205.00
	2797	25/3/22	64.20
	7336	25/4/22	59.95

He gave as security for these advances, land liens against the above mentioned quarter section and chattel mortgage on live stock and farm machinery.

With respect to the land security, it is found that the Provincial Liens are subject to a prior mortgage of over $2,000.00, while the chattel security is much derleted, owing to the depreciation of the machinery and death of live stock.

Mr. Ridley, in addition to the Mortgage indebtedness and the above Seed Grain and Relief account, also owes the Bank of Commerce considerable money. He has been successful however, in securing a compromise settlement with both the Mortgage Company and Bank, obtaining a reduction from the former in the sum of $564.00 and from the latter in a sum of $400.00.

He is extremely desirous of putting his Provincial account on such a footing as to enable him to eventually get clear of the same, and with a view to this end, he has tendered five notes for $140.00 each, totalling $700.00, payable in each of the years 1929 to 1933 inclusive, with the request that these, when paid, be accepted in full settlement of his Seed Grain and

533853

[illegible] further recommend that as payments are received in discharge of the said liens, the amount so paid be pro rated to seed grain and relief advances, and that upon receipt of one-half the amount credited to relief of the total proportionate amount payable by the debtor, the said liens be discharged and the balance remaining unpaid be written off.

Board Order #462.

Edmonton, Alberta, January 31, 1929.

INTERIOR

Re: N.E. 2/9 16/4, H. G. Ridley.

The Seed Grain and Relief Adjustment Board, appointed under Order P.C. 2200 Her by recommends that the liens now registered against the North East ¼ 2/9/16/4 for advances made to H. G. Ridley, be settled for the sum of $700.00 and that upon payment of this amount by the debtor, the said liens be discharged and the full amount of the liability be written off.

The Board further recommends that if and when the said debtor makes payments on account of the settlement of $700.00, that such payments be pro rated to the seed grain and to the joint relief accounts and one half of the amount apportioned to relief be remitted to Ottawa under the terms of the agreement now in effect.

In support of this recommendation, the Board submits the report of the Acting Director, Debt Adjustment Act, dated December 6th, 1928 and states that the debtor has made a satisfactory compromise settlement with his other creditors and that if this settlement is accepted, he will be in a position to carry on his farming operations.

The Board, therefore, recommends the compromise of the liens for the sum of $700.00 and that upon payment of this amount the said liens be discharged and any balance remaining unpaid be written off and the debtor relieved from any liability in connection therewith.

COMMISSIONER

Ottawa, April 24th, 1929.

To W. G. Miller,

Memorandum

Mr. Ferrin.

Under the legislation authorizing the apportionment and adjustment of Seed Grain, Fodder and Relief indebtedness, the Adjustment Board of Alberta has submitted its report dated the 31st January, 1929, marked hereunder.

The indebtedness in this case consists of advances as follows:-

Year.	Principal.	Amount due 31 st Dec.
1920	$305.00	$494.55
1922	134.16	

The value of the land is not given, but the report states that there is nothing for over to. registered prior to the liens.

It is recommended that on payment of the sum of $136.51 all security for the liens be released.

This will mean a loss to the opinion Government of approximately $128.24. on the balance due under said liens.

It will be noted that the payment to be made on the Provincial Seed Grain liens and Joint Notes, $[illegible] in all, is to be spread over a term of years, and is covered by five notes each in the amount of $140.. to be paid on each of the years 1929 to 1933 inclusive.

Kindly advise if this method of payment will be acceptable, and further if it will be in order to proceed as hereunder to Council.

Beatham

COMMISSIONER: The practice is to require the holder of the land to pay the adjusted or apportioned seed grain indebtedness in three equal annual instalments with interest at 6% per annum, and interest at the rate of 7% upon any instalment when payment thereof is overdue. The question submitted is whether any departure should be made from the practice, or whether the matter should be referred back to the Board for further consideration.

I beg to advise you that in the parcel of relief liens received from the Commissioner of Immigration, there is a single copy lien for barley chop and fodder in the sum of $40.00 dated the 22nd October, 1914,. which is marked cancelled, the lien being signed by Mr. Peter Valgardson. There are two other liens one for fodder and provisions, $69.33 and one for feed oats, $39.78.

Of the two quarter sections above referred to, one is the NE¼.24- 9- 17- W.4, on which they hold first mortgage and on which the Provincial lien is subsequently registered. The bank requests that the Provincial Government accept the sum of $82.00 as settlement in full for the discharge of the lien, in order that they may complete their transaction without recourse to foreclosure proceedings.

I would recommend that the $82.00 herewith submitted be accepted in this respect, and that the lien be discharged.

It is further recommended that the unpaid balance of Valgardson's account be held as a charge against Valgardson's personal covenant, and the chattel security held, until such time as a settlement is arrived at through application of the debtor or by the Department of Municipal Affairs,

The unpaid balance outstanding would appear, as at August 21st, 1928, as

Principal.....$36.45
Interest ..... Nil.

Dear Sir:

Re: John P. Valgardson,
NE¼. of 24- 9- 17- W.4th M.
Provincial Government Relief.

The Provincial Government issued to John P. Valgardson of Taber, Alberta, an advance of Relief to the amount of $82.00 on April 25th, 1922.

There have been no repayments, and a statement of the Department of Municipal Affairs shows the unpaid amount outstanding, as at August 31st, 1928, as

Relief:
Principal.....$82.00
Interest 36.45
$118.45

As security for the advance a lien was registered against the NE¼. 24-9-17- W.4, which lien was subsequent to a first mortgage for $6500.00 registered by the Canadian Bank of Commerce on December 9, 1921.

Additional security was taken, in the form of a chattel mortgage on five head of mares and geldings.

The Canadian Bank of Commerce have now made representation to this office wherein they state that Valgardson's debt on their books amounts to a sum slightly in excess of $12000.00. They have arranged a settlement with him wherein they have agreed to accept the transferal to them, by Valgardson, of two quarter sections of land, and in addition, they are to receive a note for $600.00, payable in three annual instalments of $200.00 each, with interest at 6%: upon completion of the terms of this settlement, Valgardson is to receive a complete clearance.

The Bank is prepared to sell these two quarter sections, on terms, for $4560.00. They are, therefore, accepting a loss of some six or seven thousand dollars.

F. All.

Dear Sir:-

[redacted] John I. Valentine.

We [illegible] advances made [illegible] John I. Valentine, [illegible] 62.00, and [illegible] be discharged.

The Board considered report of the Acting Director, Soldiers' Civil Re-Establishment, dated April 21st, 1920, and adopted the following recommendation:-

1. That prior to the advances being made the Letter of Guarantee of the First Mortgage Loans Company, and the Certificate of Value of the Land,

2. That the mortgages be properly executed by the owners, and that they will obtain a good title to the land on which the loans are granted,

3. That in the event of foreclosure, the Company will be prepared to sell under the mortgage, or if it is desirable to accept a conveyance of the property in lieu thereof.

The Board therefore recommends that the advances be accepted [illegible] be discharged, from the said Loan Co.

The Board further recommends that the sum of $62.00, paid by the said John I. Valentine, be refunded to his personal account.

Sir;-

File 1853622

Referring to your letter of 20th June to Wincinty Chomicz regarding South East quarter of 32-9-14, West of the 4th., we beg to advise you that after receipt of this letter Chomicz sold to one Julian Wronski the frame house and improvements therein referred to for the sum of $300.00, and received payment of this amount. The transaction is evidenced by a document signed by both parties, and setting out the particulars. It now appears that a homestead entry has been filed upon this land by one Ignace Szadokierski, who is endeavouring to eject Wronski from the premises. While it should have been clear from the reading of your letter that the value of the improvements would be collected through the Department from such person as might enter on the homestead, and while in view of this Chomicz should not have attempted to enter into the agreement above mentioned with Wronski, we would say that all the parties in question are foreigners, and we fancy do not understand the real position of the matter. What we are now writing you for is to ascertain if Szadokierski has made any payment of any kind to the Department in respect of this house and improvements, and to ask that if such payment has been made you will kindly see that the sum so paid is not handed over to Chomicz, but is paid to Wronski. We shall be pleased to furnish you if desired in due course with the original Memorandum

Memorandum:-

S.E.¼ of 32 - 9 - 14, W.4.M.

Referring to the letter of the 6th of August last, from Messrs. Conybeare & Jones, - re-entry was granted on the 4th of July last, to Ignacey Szadokiersky.

The Homestead Inspector reported, 6th. of September, as follows:-

"I visited the S.E.¼ of 31 - 9 - 14,W.4., and "found that the Homesteader instead of getting on S.E. "¼ of 32, had got on S.E.¼ of 31 - 9 - 14, W.4., the "house that was on 31 - 9 - 14, 4, has been removed "and placed on S.W.¼ 32 - 9 - 14, 4, by Mr. White, "the size of the building is 12X24, shanty? roof,value "$175.00, and on S.E.¼ 31 - 9 - 14, 4, is 9 acres of "breaking, value $27.00."

The Homestead Inspector reported, 7th. of January, as follows:-

"I visited S.E.¼ of 32 - 9 - 14, 4, on Dec. 17th., "and as no one was in residence I could get no infor- "mation. I again visited this Place on the 21st? in "hope I would find Mr. White in residence but from "what I can learn he is in Raymond. I will hold this "letter over for further information".

An application for inspection was filed on the 24th. of February, by E. Williams.

The Homestead Inspector reports, 28th. of March, which I would ask you to kindly peruse. What action do you think should be taken in this rather mixed case? You will observe that the Homesteader is said to be in Detroit , and that the 60 days have expired.

Respectfully submitted.

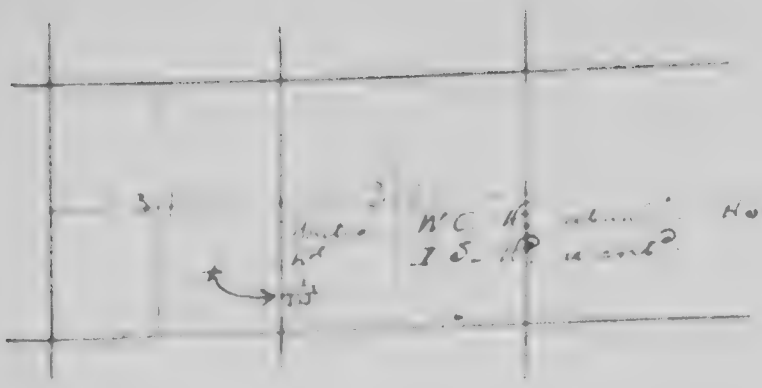

F. FitzRoy Dixon, Esq.,
Acting Deputy Commissioner.

Gentlemen:-

With further reference to your letter of the 6th of August last, in the matter of the South East Quarter of Section 32, Township 9, Range 14, West of the Fourth Meridian, and the agreement of sale made between Julian Wronski and Wincinty Chomios; I beg to say that the Homestead Inspector has made a thorough investigation into this case.

It appears that the improvements made by Mr. Chomios were not on the homestead, but on the South East Quarter of Section 31, and consisted of a frame house, 12 X 24, and eight acres of breaking, a total value of $199, the breaking having been done by a person named Bennett but never paid for.

The existing homesteader, Mr. Ignacey Szadokiersky, who is now in the States, moved the house, which he stated he owned, from the South East Quarter of Section 31, to the South West of Section 32, the homesteader of this latter parcel, Mr. White, purchasing such house from Mr. Szadokiersky, paying therefor the sum of $85.

Dear Sir,

A little over 12 months ago, I took over a ¼ Sec. of Land off a man, name Shawcross for the mortgage which is $1000.00 it is registered in my name, & I had seed grain etc. on it, & after this man had turned it over to me, he got some Government Relief on it.

I did not put my seed in on the land, but put it in on another ¼ Sec. that I have, & I think the Loan Co. may make some trouble over this & I had a Mr. Jackson (or Johnson) come to see me about this from ### Mr. Bruce Walker, & he said the Government said that I had to pay all that I had from them & also this of Shawcross's which I did not know of, & I had to sign a paper saying that I would give the Government a lien on my crop for that amount. Now Sir I find that when I had paid the threshing bill & the Government, I will not have anything left for my wife & 4 children & myself, as my crop was hailed very bad, & I have a a funeral bill & a Doctor's bill to pay. so if I am compelled to pay all to the Government this Fall, I shall have nothing to live on. I was told to write to you Sir, to see if you could not intercede for me, I should be glad if you could arrange it for me to pay half of what I had from the Government. I want to pay the Government back after them helping me out, but if I am compelled to pay all back this Fall, I will be worse of than last year, & God know that we did not have to eat what we should have had.

We have had a fall of snow here, & it as stopped all threshing. I have not threshed yet.

Hoping to receive a favourable reply.

Yours,
Very respectfully,
(Sgd.) W. Fellows.

Sir:-

Re. Seed Grain.

On the 16th October last you made application to me for an advance of seed grain, in which you swore that you had 150 acres under cultivation; that you required:- seed wheat 150 bushels, and see oats 250 bushels, to seed the above land; that you had under crop in 1914, 150 acres, which you lost by drought.

I am now informed that you had no 150 acres of cultivated land on your place, and I will thank you to immediately send me an Affidavit stating what land, how many acres you have under cultivation, and what you have done with the 150 bushels of wheat and the 195 bushels of oats which were supplied you by my Agent at Taber.

Kindly give this matter your immediate attention, otherwise, I will be compelled to put the matter in the hands of the Royal North-West Mounted Police for investigation, and if the find that you have dealt fraudulently with me I will immediately start prosecution against you.

Obtaining seed Grain by False Pretences

According to Instructions received from my Officer Commanding I patrolled with S.H.740 to the above section and found same to be uncultivated and unoccupied . There was about I00 acres broke but is was covered by weeds

On enquiry I found W.J.J.Fellows residing on Sec 9.I0.I5 and is now harvesting a crop there consisting of 80 acres of wheat on a rented Farm belonging to a man called W.T.Cook and thirty acres of oates .

On the 7th inst I again patrolled this district and on enquiry of I learnt that Fellows was working on some land known as section I6.I0.I5.4 on arriving there I interviewed fellows who made the following statement.

I have put all my Government Wheat in Sec I6.I0.I5.4 belonging to me . Having been purchased by me by instalments I have put about I50 bushels of wheat and about I20 of oats and being too late putting seed in I feed the balance to Stock. Land purchased from W.J.Rice I have not yet made a payment.

Signed W.J.J.Fellows

I then enquired of Fellows why he had not put the seed n section 32.9.I4.4 the land upon which he had made his plication . He said he would have only he had the offer living on Cooks place and as section I6.10.I5.4 was adjoini Cooks and he intends buying same he thought there was no in doing same. Also that he was living on Cooks place because the buildings were better than on section 32.9.I4.4 He further stated he did not wish to have trouble with the Government and that he would let them have the wheat on this section viz I6.10.15.4. The I20 bushels of oats which ie stated he put into this Ground as turned out very bad nd will be only fit for green feed and not much of that. The Government wheat is not yet threshed and I do not ink that the same will realize more than $600 . On pressing m he admitted that there was not all the wheat sewn but that had feed some of it to the stock

-Cook also admits that he as paid nothing for any of the ds which he is working on as yet and that the land for ch he made the application for Government seed was register in his name but that he had got it from a man called Shawcross He turning same over to fellows for the ose of getting rid of a mortgage he had obtained on same Fellows also admits he as no clear title to any land his district and that no money as been yet paid for any im.

I t appears that this man came from B.C. with only furniture about two years ago and his financial standing the district is bad It is understood that this mans wife children are going to the old country this fall and that llows himself is liable to skip the Country.

Re W. J. J. Fellows, Taber, Alberta.

November 4th, 1915.

Acting under instructions of J. Bruce Walker, I proceeded to Taber, Alberta, October 21st, 1915, to collect from W. J. J. Fellows the sum of $708.77, which the Government holds liens for on the S. W. ¼ of 16-10-15 west 4 M. When I arrived at Taber I inquired around there for a day to see what I could find out about Mr. Fellows, and I found out his credit was very bad and that he had not threshed and there was no machine in that district. I was told by Chas. E. Tainter & Co., Financial Agents and Brokers that E. J. J. Billiemeier was an honorable man and if I wanted to hire some one to take charge of the crop and see that the Government got their money, they would recommend Billiemeier. He having an automobile I hired him to drive me out to W. J. J. Fellows and we found him at home. Mr. Fellows, lives on the S. W. ¼ of 16-10-15 w. 4 M. And I took him with me to the S. W. ¼ of 16-10-15 W. 4 M. where he claimed the Government seed was at was sown. Myself and Mr. Billiemeier drove through the wheat with Mr. Fellows and we thought there was about 75 acres, as Fellows said. About 30 acres had been cut with mail but the rest was fair wheat. I was not sure if there would be enough there to pay the indebtedness to the Government or not, but Billiemeier being a farmer thought there would be. I then made arrangements with Billiemeier and Fellows that Billiemeier would see that all the wheat grown on that section would be put in the elevator to

J. DOBBS, PROPRIETOR

TABER, ALBERTA.

J Bruce Walker Commissioner of Emigration

Dear Sir,

In regard to the money I got from the government a year ago I beg to inform you that I have this day paid $4.50 towards the $15.00 I got from the government last fall and I will pay the balance inside a month or six weeks. I transfered my land last fall to Mr J J Tillows of Purple Spring about the time I got the government relief and then I went to work in the mine for the winter but the mine did not do much, and I went back onto another farm this spring and used the feed that I got from the government to put in my crop this year. I am working in the mine at Taber at present and I will be in a position in a few weeks to pay the rest of my indebtedness to the government. hoping this will meet your favor I am yours truly Sam[e] Shawcross

Taber Alberta

The farm that Fellows lives on belongs to a Mr. Cock, who also got seed grain from the Government to sow the farm, Fellows' share being half the crop, and which is seized by the Sheriff some three or four times for debts, Fellows' credit being no good at all at Taber. Everybody calls him a crook, but as the man stands today, he has not got one cent to live on and the Province of Alberta will have to keep him and his wife and 5 children before the winter is over.

I then took the $75.85 and the $47.88 and bought a draft for $123.53 payable to J. Bruce Walker, that being every cent that I could get out of Fellows.

I then proceeded to hunt up one Sam Showcross, who had also got on this Fellows deal $75.00. It took me some two days to find him, but I located him in the Can. West Coal Co's mine. I made him pay me $40.00, and also write a letter to J. Bruce Walker explaining how he came to get the $75.00 worth of relief from the Government. He promised to pay the remainder in a short time. This will help reduce the amount that Fellows owes. The $40.00 is attached also to the letter to J. Bruce Walker, which goes in with J. J. Fellow's File.

Yours respectfully,

3695124

Winnipeg, Dec. 10, 1915.

Acting under instructions of J. Bruce Walker, I proceeded then to Taber, Alberta, to collect from J. J. Fellows, the amount of $[illegible].77. I had been at Taber on this case Oct. 21st, and had made arrangements with one F. J. J. Filligmeier to see that the crop grown on S.W.¼, Sec. 10-10-15,W.4.M. was threshed and put in the elevator to the credit of the Government. When I arrived there this time, I found they had threshed the crop on November 24, 1915, and that the machines had refused to thresh it by the bushel as the crop had been hailed and frozen. Filligmeier had made arrangements for them to thresh it by the hour at $20.00 per hour, their threshing bill coming to $130.00, it taking them 6½ hours to do the work. He, Filligmeier, then had them take their teams, as it was the last job, and haul their grain into the elevator to pay the threshing bill, and they charged $6.07 for that. When they had weighed up the wheat and got their pay there was $47.88 over, which they handed over to Filligmeier. He then and myself went out and had Fellows draw in the balance in to Taber, which amounted to $[illegible].65. We could not get any more than feed for the wheat as it was such a poor quality. The thresher said that he had threshed about 500 bushels on the whole farm, of wheat. The oats that Fellows got from the Government was completely destroyed by hail and [illegible] so that he cut none at all.

I beg to advise you that the following liens are of record in this office against the South East ¼ of section 32, township 9, range 14, west of the 4th meridian, in the name of Mr. William J. Fellows:-

Notation of a Relief lien for $100.00 marked "added to Seed Grain",

There is also a copy of a Promissory note for $75.00 in the name of Mr. Samuel Shawcross against the South East ¼ of section 32, township 9, range 14, west of the 4th meridian.

I am advised by the Registrar, Land Titles Office Calgary that there has been registered against the above land in the name of Mr. William J. Fellows liens as follows:-

Fodder $118.52 and Relief $25.00 on the 11th Dec.1915.

These amounts would appear to agree with the liens on file at this office, but there has been a further registration at the Land Titles Office Calgary, of a Fodder lien of $35.00 and Relief $40.00 on the 22nd November 1915, which would appear to account for the Promissory note for $75.00 in the name of Mr. S. Sir,-

Referring to your wire of the 14th instant to Mr. Morisset re the above, I infer that the sum of $-40.00 reported under W.J. Fellows on the 14th Dec. last was credited against Fellows' indebtedness and to him an official receipt was mailed. From J.M. Jackson who collected this money I learn that S. Shawcross had received Relief to the value of $-75.00 and that this advance was covered by Fellows lien as Shawcross had no land. This $-40.00 was paid by Shawcross, not Fellows, so that while the payment was properly applied on the latter's lien, the former would be justified in asking for an acknowledgement in some form from the Department, which he did in his letter to you of the 14th ultimo.

I trust this information will enable you to forward a reply to Mr. Shawcross that will satisfy him.

Gentlemen:-

We are acting for the Royal Canadian Securities Co. Ltd., who have become the registered owners of the South East of 32-9-14, [illegible] of the 4th. We find that the party who has been on this property, J. J. Bellowes, has obtained from your Department the following advances.-

Jan. 1-1916, Fodder $100.00
Jan. 1-1916, Fodder 119.52
Further funds of 23.00

We would ask you to kindly look into the matter of these two liens, as it would appear as though they were duplicates, insofar as the $100.00 is concerned. You might also advise us whether or not any part of these liens have been paid off out of the crop taken from this property during the present year, and also whether these liens attach on any other lands other than those described above.

Your early reply will greatly oblige.

By reason of the seed grain,fodder and relief liens registered against this property, the Company has been unable to dispose of it and it,therefore, asks that immediate action be taken in the above mentioned Order in Council to relieve the Company from the liability of the seed grain,fodder and relief liens. "We are today in receipt of a communication from the Department of the Interior in reference to the above matter, in which they state that the following liens are registered against the above property,-

A payment of $123.53 has been received against the above liens, said payment having been made on the 11th of December,1915.

Shawcross, former owner, obtained supplies from the Department, and charged a lien on this property for $75.00, but the same has been paid by him. This leaves a total indebtedness of $510.74, and apparently nothing can be done to relieve ourselves of this indebtedness."

The Company feels that because it cannot realize its claim and the amount of the liens out of the property, that it should be relieved of the amounts of the relief liens mentioned above and accrued interest.

The Company has conclusive evidence to prove that no land was cultivated on the above quarter during the year in which the seed grain was obtained and that part of the seed grain obtained was used on other (rented) land.

The Company has also evidence to show that part of the seed grain was sold and that the mis-use was made a subject of a special investigation by the Department.

The Company feels, in view of these facts, that none of the seed grain furnished, for which charges have been made against this land, has been used in the cultivation of the land, that the amount of the

The Royal Canadian Securities Co.Ltd.

On August 14th,191[illegible], the Royal Canadian Securities Company Limited made a loan of $1,000.00 against the above mentioned quarter.

On the 9th day of May,1916, the Company instructed its solicitors to institute foreclosure proceedings, because of default in payment of interest by the mortgagor.

We have reason to believe that Mr.N.J.J.Fellows, the mortgagor foreclosed, and was interest in the property now.

The sale held in connection with the foreclosure proceedings was effective.

Order Nisi was granted on or about the 14th day of April,1917.

On March 17th,1917, the Company received the following letter from its solicitors, containing information received from the Department of the Interior by them:-

DEPARTMENT OF THE INTERIOR

TRAFALGAR BUILDING
BANK STREET
OTTAWA,

A statement was obtained from him to the effect that he would turn over the crop grown on the latter quarter section to pay the indebtedness for Seed Grain, Fodder and Relief and if this was not enough, he would make it up from the crop grown on the former quarter section.

When the crop was ready to be thrashed it was found to be badly frozen and hailed. The machines refused to thrash it by the bushel but consented to do so at the rate of $20.00 an hour. The amount realised from the whole crop after paying expenses was $123.53. This amount was applied as mentioned above. Mr. Fellows share of the crop, grown on the S.W.¼ of sec. 9 was siezed by the Sheriff for debts. This left him without a cent, and a wife and five children to provide for.

On the 9th Aug. 1916, the Royal Canadian Securities Co. Ltd. foreclosed their mortgage because of default in payment of interest. The Company feels that because it can not realize its claim and the amount of liens out of the property that it should be relieved of the Government indebtedness for Seed Grain, Fodder and Relief. By reason of the liens registered against this property the company has been unable to dispose of it, and therefore asks that immediate action be taken on Order in Council P.C. 460, dated 23rd Feb. 1918, to relieve the company from the liability of the Seed Grain, Fodder and Relief liens.

Re S.E. 32-9-14-4

The land above described was patented to one Samuel Shawcross on the 18th Apr. 1912. He encumbered this quarter section with Seed Grain and Relief in 1911 and 1915 respectively, but same has since been paid in full and discharged.

J. W. Fellows purchased the above mentioned quarter section in 1914 subject to a mortgage to the Royal Canadian Securities Co. Ltd. for $1000.00 dated the 14th Aug. 1912. He secured the following Seed Grain, Fodder and Relief advances from the Department.

Seed Grain----------

Int. @5% from 24-2-15	100.00
Relief----------	
Int @5% from 18-2-15	25.00
	$634.27

A payment of $123.53 was made on the 11th Dec. 1915 to reduce this indebtedness.

It appears from evidence on file that the Seed Grain was not sown on the land above described and Mr. Fellows admits himself that the Government Seed was sown on the S.W. 16-10-15 W4M. He put 150 bushels of wheat into 75 acres and 120 bushels of oats into 40 acres of land. The balance (oats) was fed to his horses.

On the 9th Oct. 1915 the N. W. M. P. paid a visit to the S.E. 32-9-14-4 and found same uncultivated and unoccupied Mr. Fellows was located on the S.W. 9-10-15-4, rented on half shares from a man by the name of Cook who furnished the Seed for this land.

Acting on instructions from Mrs. J. Bruce Walker Commissioner of Immigration, Winnipeg, Mr. W. M. Jackson interviewed Mr. Fellows on the S.W.¼ sec. 9 and was taken over the S.W. ¼ of sec. 16 where the Government Seed was sown.

Mr. Fellows purchased the above mentioned quarter section in 1914 subject to a mortgage to the Royal Canadian Securities Co. Ltd. for $1000.00 dated 14th Aug. 1912. He obtained the following Seed Grain, Fodder and Relief advances, giving as security the land above described.

Seed Grain----------	$390.75

Int. @5% from 18-2-15	

Although Mr. Fellows gave the above mentioned quarter section as security, the Seed Grain was sown on the S.W. 16-10-15 W4M. A statement was obtained from Mr. Fellows to the effect that he would turn over the crop grown on this quarter section to pay the indebtedness for Seed Grain, Fodder and Relief, and if this was not enough to make it up from the crop grown on the S.W. 9-10-15 W4M, rented on half shares from a man by the name of Cook who furnished the Seed for this land.

The amount realized from the crop grown on the S.W. 16-10-15 W4M after paying expenses was $123.53 owing to same being badly frozen and hailed. Mr. Fellows share of the crop grown on the S.W. 9-10-15 W4M was seized by the Sheriff for debts. Will you kindly communicate with the Sheriff and ask him what became of Mr. Fellows share of the crop grown on the latter quarter section and also why he did not pay half of the Seed Grain indebtedness?

The Royal Canadian Securities Co. Ltd. are pressing for discharge of all the indebtedness for Seed Grain, Fodder and Relief given by Mr. Fellows on the S.E. 32-9-14 W4M, so will you kindly furnish me with a complete report, advising me what security the Department has for the indebtedness.

Sir ,

I have the honour to acknowledge receipt of your letter dated the 15th of June , and in reply to say that on 22nd July I visited the S.E. 32-9-14 W 4 M , and found no person in residence .

On making enquiries from a neighbor by the name of P. Engleson it would appear that no person has resided on this land since 1914 . No crop was put on this land 1915 or any year since , and Mr. W. H . Fellows has left the district last fall , and I could not find out where he has gone to .

This is a poor quarter section of land and the improvements are of little value consisting of a small house and 1½ miles of 2 wire fence in poor repair . This land , if sold today , would not realize more than $1200.

To release this land you would have no security whatever .

Sir:

I have the honour to acknowledge the receipt of your letter dated the 23rd August [illegible], and in reply to say that on 11th Sept. I visited the S.[illegible] and S.W.-[illegible]-4 and also visited Mr. Fellows, who is at present residing on the N.W.-[illegible]-4 and made inquiries as to the security the Department with regards to the S.W.[illegible] and S.[illegible]-4, I may say that from what information I received I find that the Department would have no security whatever, as Mr. Fellows never had any interest in either of these quarters. It appears that during the fall of 1914 Mr. Fellows entered into an agreement with Mr. Joseph Whaleson for the purchase of the S.W. [illegible]-4 but Mr. Fellows could not make the necessary payment and the land was taken over by the Mortgage Co., (The Alberta Securities Co.) so that Mr. Fellows never had any direct interest in the land. With regards to the S.W. [illegible]-4, Mr. Fellows rented this land from a Mr. Cook during 1915 and worked it on shares, Mr. Cook supplying the seed and Mr. Fellows doing the work, but Mr. Fellows never had any interest in this land, so that the Department would have no security in connection with either of these quarter sections. Mr Fellows says that the seed he obtained from the Department during the spring of 1915 was sown on the S.W. [illegible]-4.

Re. W. J. Fellows.
S. E. 32-9-14-W4th.

In further reference to yours of October 2nd and file No. 1253022, regarding seed grain indebtedness against the above, I beg to say that I issued a warrant in this case, for the Sheriff to make seizure and sent same to the Agent of Dominion Lands at Lethbridge to have it executed, if Mr. Fellows had anything that the Sheriff could seize.

I am now in receipt of a report from the Agent informing me that Homestead Inspector Scott went out to look into the matter, and reported that Mr. Fellows has no crop whatever this year, and the only thing he could find on the premises was three horses, four cows, three calves, plow binder, seeder and disc. It was therefore impossible to make seizure of crop.

It looks as though this matter will have to stand over until next year.

Sir,

No. 1.1.1-9-14-7.4th.

Mr. H.G. Cuttle has forwarded to me Note given by you to this Department for $647.93, being for Seed Grain, Fodder, and Relief advanced you in 1915.

Mr. Cuttle, to whom you gave this Note, advises that you claim to hold a receipt for $163.53. This letter is to advise that said receipt should have been for $113.53.

You will remember that after paying the thresher's bill in 1915 which amounted to $130.00, and hauling the grain to Taber $6.97, there was left a balance of $47.88. You then drew the balance of the grain to Taber which realized $75.65. This made the payment of $123.53 and not $163.53 as shown on the receipt.

Sir,

Re. W.J. Fellows,
S.W.32-9-14-W.4th.

I acknowledge receipt of your letter dated the 1st instant, enclosing a Note for $247.93 given by W.J. Fellows, also copy of a report made by Mr. T.M. Wright.

The only payment made by Fellows in connection with this indebtedness was a payment of $123.53, made on the 11th December 1915.

According to Mr. Wright's report Fellows claims to hold a receipt for $160.00 or more. The explanation is this--"T.M. Jackson, who collected the sum of $123.53 from Fellows, and $40.00 from one S. Shawcross, through whom Fellows purchased the S.W.32-9-14-W.4th, and instead of sending a separate receipt to Shawcross one receipt being #213560 for $163.53 was sent to Fellows, when in reality said receipt should read $123.53 as Shawcross was also indebted to the Department for relief to the amount of $75.00, to which account the payment of $40.00 was applied.

Encl.

I am attaching, for your information, a copy of a crime report made by Corporal Thompson of The Royal North-West Mounted Police, and dated the 9th of October 1915, from which you will note that although Fellows was supposed to have purchased the S.W.32-9-14-W.4th no payment had been made.

The Note for $247.93, which you enclosed, will be held here as suggested by you, and forwarded to the Bank about September 1st for collection.

Re Wm. J. J. Fellows
S.E.¼ 32-9-14 W.4th Mer.

The account in the above case was $752.48 on the 31st March last. The Department's security in this case is the above described land, but none of the seed was used on same. The Mortgage Company protested in 1918 and in 1921 Mr. Fellows was located two miles from Taber, Alberta, residing on 9 acres of purchased land and working in the Coal Mines. He gave a promissory note due that fall, but was not able to make any payment when the note came due.

I am to request you, when in the district, to endeavour to get in touch with Mr. Fellows and make collection on account of this indebtedness.

Your obedient servant,

C. J. Taylor

S.E. 32-9-14 W.4th.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain, fodder and relief amounting to $634.47 were advanced to William J.J. Fellows on the security of the above mentioned land. A payment of $123.53 was received in 1915 and applied to the principal and interest. The present standing of this account is:-

Principal	Interest	Total
$ 520.55	$ 986.72	$ 1.507.27

Patent was issued in the name of Samuel Shawcross for the S.E. 32-9-14-W.4th on the 18th of April, 1912. In 1914 William J.J. Fellows purchased the land from the Royal Canadian Securities Company. In 1915 he obtained advances of seed grain and fodder on the security of this quarter section.

In 1929 the land became subject to forfeiture proceedings for nonpayment of arrears of taxes and title was acquired by the Municipal District of Eureka No. 65.

This quarter section is described as clay and breaking has gone back and it is no longer tillable.

The municipality has been unable to dispose of the land by sale and it is presently included in a lease issued in the name of a Mr. W.C. Bullock, of Taber, Alberta. The land is only assessed for $400.00 and there is an accumulation of $465.53 arrears of taxes outstanding against it. As such the land no longer offers any security of value for our liens.

Under the circumstances it is recommended that the balance of the indebtedness be cancelled and the liens discharged.

Re: Account of E.A. Wilson,
N.W.¼ 3e-53-4-W4.

Dear Sir:

During the year 1908 while homesteading the above mentioned land, Mr. E.A. Wilson received seed grain as a loan from the Government of Canada. The loan was secured by a lien on the title of the land, of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $375.15 of which $110.50 is principal and $264.65 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the lien.

Yours very truly,

C.K. LeCapelain,
Chief, Lands Division.

Dear Sir:

RE: Account of R.A. Wilson
N.W. ¼ 32-53-4-W.4th

In a letter dated February 9, 1956, you were advised that there was an outstanding account charged against the above mentioned land which stands in your name for seed grain which was advanced to Mr. R.A. Wilson by the Federal Government in the year 1908. The amount outstanding is $375.15 of which $110.50 is principal and $264.65 is interest.

Our records indicate that no answer has been received from you to date. This may mean that our previous letter has gone astray, or that because of unforeseen circumstances you have been unable to reply. As we stated in our previous letter the Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and, in cases where the amount of the indebtedness is large compared to the value of the land, or other circumstances exist, to recommend a reduction in the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

Re: Account of R. A. Wilson
N.T.R. 22-23-4-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1908 seed grain amounting to $110.50 was advanced to R. A. Wilson on the security of the above-mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$110.50	$289.52	$400.02

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for Seed Grain, Fodder for Animals and other Relief.

Therefore, it is recommended that the Dominion indebtedness listed above be cancelled without any payment, and the lien be discharged.

F. W. Atkinson.

Ottawa, 20 October, 1960.

The undersigned member of the Seed Grain Advisory Board, having taken into consideration the attached report, approves the settlement outlined therein and does hereby recommend:-

1. That the Federal indebtedness, which is more particularly described in the attached report, be cancelled without any payment and the liens discharged.

The Board also recommends that with the payment of the said amount, the Municipal District of Excelsior No. 92, be discharged from any further liability to the Province of Alberta, in connection with the said liens, and that the total amount payable thereon be written off as uncollectible, as the financial affairs of the District are such that it is not possible for the said Municipality to make any further payments on account thereof.

Chairman, Tax Consolidation Board.

The Honorable R.C.Reid,
Provincial Treasurer,
Government Buildings,
Edmonton, Alberta.

The Tax Consolidation Board, hereby recommends that the amount paid to the Department of Municipal Affairs, on April 30th, 1929, being the sum of $85.00, be accepted in full settlement of all liens registered against the W. ½, 30-10-6-4. 4th Mer., for advances made to Clyde A. Gee, by the Municipal District of Excelsior No. 93.

The Board submits in support of this recommendation:-

1. That prior to the advances being made the debtor mortgaged the said land to the Excelsior Life Insurance Company, and that the security held by the first Mortgagees has priority to all liens.

2. That the total amount payable to the first Mortgagees is in the neighborhood of $2,000.00, while the present fair actual value of the land does not exceed the sum of $1,[illegible]00.00.

3. That the Mortgagees apparently made arrangements to secure title to the said land without taking foreclosure proceedings, and in consideration tendered the sum of $85.00, on April 30th, 1929, for a discharge of said liens.

4. That having in view the fact that by foreclosure all liens would be removed from said land, it is desirable that the settlement be accepted.

5. That the debtor left the Country several years ago, and all trace of him has been lost, so there is no possibility of making any collection under his personal covenant.

The Board therefore recommends that the sum of $85.00, be accepted in full settlement of said liens. That the amount so paid be apportioned:-

To Seed Grain	$80.00
To Joint Relief	$5.00
Total	$85.00

and that if the payment of same has not already been made, that one-half the amount apportioned to Joint Relief, be remitted to Ottawa, under the terms of the Agreement now in effect.

The Board submits the report of the Acting Director, Debt Adjustment Act, dated September 10th, 1929, which report gives full details of all liens registered against the said land, and states in support of the recommendation:-

1. That prior to the advances being made the debtor mortgaged the said land to the Excelsior Life Insurance Company, and that the security held by the first Mortgagees had priority to all liens.

Sir,- Re - W.½ 30-10-6-W.4th Mer.
Clyde W. Gee.

In this cause kindly be referred to Board Order No. 1768, and to Mr.Lorree's report made in conjunction therewith wherein he lists the joint advances in the amounts of $143.00 and $25.08 as given on May 17th and June 22nd, 1920, and he advised that in addition thereto there is on file in this office a copy of a Lien for $20.00 dated April 18th, 1922, covering an advance made to Clyde W. Gee and quoting the W.½ 30-10-6-W.4th Meridian. However, it would appear that the Range was at one time quoted as eight and at a later date changed to six which may explain why this security was not mentioned by Mr.Lorree.

Would you kindly verify this and also state whether this Department has paid out its 50% of the advances for $143.00 and $25.08 as there is no record thereof on our books.

Reply to be referred to

I am directed to return herewith Order in Council P.C. 1760, dated 11th April, 1930, authorizing that the indebtedness be written off as bowed of [illegible].

Would you kindly advise me if this Department's file has been dealt with, and, if so, under what number and date.

Your obedient servant,

Secretary.

SIR:

RE : Clyde V. Gee.
W½-30-10-C-W4th.
Provincial Seed Grain & Joint Relief.
Your Files #1428594 & 1397301.

I have for acknowledgment your letter of June 5th, 1930, with reference to Board Order No. 1768, and in which you request that you be advised as to whether or not your Department's share of the $25.00 allotted to the credit of the Joint Relief claim by the above Board Order has been paid.

With regard to the above account I have now been able to ascertain that on May 10th, 1929, the Secretary-Treasurer of the Municipal District of Excelsior No. 92 forwarded to the Department of Municipal Affairs the sum of $85.00, and this sum he apparently intended to be credited in the amounts of $60.00 to Seed Grain and $25.00 to Relief. Through a clerical error, however, the Secretary's statement with his remittance required that the $85.00 be credited as to Seed Grain principal $60.00, and as to Seed Grain interest $25.00; the same was so applied by the Department.

Since it was the intention that the Relief claim should be credited with the sum of $25.00, and as this sum has been so credited by Board Order No. 1768, an Order-in-Council has been passed having this credit in view. The Seed Grain and Relief Branch have now informed me that by Journal Entry No. 296, June 11th, 1930, the Joint Relief Account of this Municipal District will be credited with the sum of $25.00, and the Seed Grain account debited in that sum. Your Department's share of the $25.00 so journalized will be forwarded to you in the July cheque representing June collections.

Yours truly,

Regarding payment of Seed Grain and Relief, I wish to state that same was figured out at your office in Lethbridge - (and) I paid in full.

But you have not credited me with $3.90 (H.C. 1433) which was paid to Elevator in Barons - Oct 27th 1915, before 20-3-17. There is where your Mistake comes in.

I enclose a credit of $3.90 Oct 27/1915 Your credit that amount March 20/1917. The Receipts shows this, and which you can see yourself as you had same.

Hoping this explains all

As per statement attached.

In 1911, 100 bushels of wheat was advanced on the security of the N.E.16 and S.E.21-11-10 W.4th to Moses Simpson, but as patent for the N.E.16 had issued, the lien charged only on the S.E.21 as did the 1914 seed grain lien for 150 bushels of wheat advanced to Mrs. Sarah C. Simpson. In 1915 the application stated that 125 acres were under cultivation on the N.E.16 and 160 on the S.E.21, for which 100 bushels of wheat and 99 of oats was required.

N.E.16-11-10 W.4th.

This is the homestead of Moses Simpson patent to which issued in his name on the 26th October, 1910. The 1915 liens, only, charge against this quarter. Moses Simpson died on or about the 21st October, 1912, and Mrs. Sarah C. Simpson, his widow, continued to farm the land for some years, the advances in 1914 and 1915 being made to her. The seed grain lien is registered in duplicate, first on the 19th July, 1915, and then on the 30th December, 1916, on which date the amounts of $129.15, fodder, and $349.80, Relief were also registered. Included in these two registrations are liens for $94.00 and $43.55, which are also registered on the 15th September, 1915. In 1924, when the last inspection was made, there were good improvements on the N.E.16, house, $1,500, stable, $50.00, granary, $50.00, fence, $100, well, $40.00 and 110 acres broken, cropped the previous year, a son of Mrs. Simpson being in residence.

S.E.21-11-10 W.4th.

This quarter was the pre-emption entry of the late Moses Simpson, and patent issued on the 9th April, 1918, to the Trusts and Guarantee Company, Limited, as personal representative of the late Moses Simpson, subject to the outstanding liens. In 1924 there was 160 acres under cultivation on this quarter, no other improvements.

Re: Account of Mrs. Sarah C. Simpson,
S.E.¼ 21-11-10-W4.

Dear Sir:

During the years 1911, 1914 and 1915 while homesteading the above mentioned land, Mrs. Sarah C. Simpson received seed grain, fodder and relief as a loan from the Government of Canada. The loan was secured by a lien on the title of the land of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $1,896.25 of which $611.79 is principal and $1,284.46 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

C.K. LeCapelain,
Chief, Lands Division.

Re: Account of Sarah C. & (Moses) Simpson
S.E.¼ 21 & N.E.¼ 16-11-10-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1911, 1914 and 1915 seed grain, fodder and relief amounting to $865.60 were advanced to Sarah C. and Moses Simpson on the security of the above-mentioned land. Payments of $120.00 and $150.10 were received in 1915 and 1917, respectively, and applied to the principal and interest. The present standing of this account is:-

Principal	Interest	Total
$611.79	$1,422.11	$2,033.90

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for Seed Grain, Fodder for Animals and other Relief.

Therefore, it is recommended that the Dominion indebtedness listed above be cancelled without any payment, and the liens be discharged.

Dear Sir:

Mr. Ora Scott, a practical farmer in the Northern part of this State, on the 29th. of October of last year filed on the Northwest 1/4 of Section 12 - Township 59 - Range 3 - West 5th. Meridian. He expected to remain on his Homestead, but owing to sickness in the home he was obliged to return to Indiana. Finding it impossible to move onto his place within the six months, he wrote the Agent in Edmonton requesting him to cancel his place. The Agent forwarded to him relinquishment papers to be filled out, but through oversight he neglected to have this done. He and his father and another brother are now anxious to secure Homesteads in the Northwest and he, Ora Cox, wishes to know if, under the circumstances, he will be permitted to file on another Homestead. His father and brother expect to go within the next few weeks and if permission is given to re-enter for another Homestead, Mr. Cox will accompany them; otherwise the prospects are he will remain in Indiana. As I know them to be good men for the Country, I would suggest that, if possible, permission be given Mr. Cox to file on

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1930, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

Re: Account of Albert Moses Simpson,
S.W.¼ 22-11-10-W4.

Dear Sir:

During the year 1915 while homesteading the above mentioned land, Mr. Albert Moses Simpson received seed grain, fodder and relief as a loan from the Government of Canada. The loan was secured by a lien on the title of the land of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount of the indebtedness outstanding is $575.38 of which $196.65 is principal and $378.73 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

C.K. LeCapelain,
Chief, Lands Division.

Dear Sir:

Re: Account of Albert Moses Simpson
S.W.¼ 42-11-10-W.4th

In a letter dated the 22nd of February, 1936, you were advised that there was an outstanding account carried against the above mentioned land which stands in your name for seed grain, fodder and relief which were advanced to Mr. Albert Moses Simpson by the Federal Government in the year 1915. The amount outstanding is $573.38 of which $190.65 is principal and $378.73 is interest.

Our records indicate that no answer has been received from you to date. This may mean that our previous letter has gone astray, or that because of unforeseen circumstances you have been unable to reply. As we stated in our previous letter the Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and, in cases where the amount of the indebtedness is large compared to the value of the land, or other circumstances exist, to recommend a settlement in the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned and full details which will be presented to the Board for consideration. The Board will then review your account and you will be advised of the minimum settlement which they will accept.

Re: Account of Albert Moses Simpson
S.W.¼ 22-11-10-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain, fodder and relief amounting to $465.15 were advanced to Albert Moses Simpson on the security of the above-mentioned land. Payments of $116.08 and $200.00 were received in 1915 and 1917, respectively, and applied to the principal and interest. The present standing of this account is:-

Principal	Interest	Total
$196.65	$422.98	$619.63

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for Seed Grain, Fodder for Animals and other Relief.

Therefore, it is recommended that the Dominion indebtedness listed above be cancelled without any payment, and the liens be discharged.

As these liens pertain to Dominion accounts and were placed by the Crown, we are accordingly referring the matter for your further action and execution in accordance with the recent decision cancelling such accounts.

It will be very much appreciated if you would furnish this office with particulars of your action in order that we may take the necessary steps to close our file.

Dear Sirs:

S.E. 22-11-10-W.4th Meridian
Albert Moses Simpson Estate.

Your enquiry of the 8th of December, 1960 concerning 1915 Dominion Seed Grain, Fodder and Relief Liens charged against the above-mentioned property in the name of Albert Moses Simpson, has been referred to this office by Mr. A.H. Duff, Chief Collector, Tax Recovery Branch, Alberta Department of Municipal Affairs.

I am pleased to advise that, in accordance with a submission by the Seed Grain Advisory Board and the recommendation of my Minister, cancellation of these liens, together with accrued interest amounting to $422.93, was approved by the Government pursuant to Order-in-Council P.C. 1960-31/1557, dated the 17th of November, 1960. An appropriate discharge notice was sent to the Registrar of Land Titles at Calgary, on the 5th of December, 1960, authorizing him to remove the Dominion liens from the title for the property. Therefore, I would suggest that you submit the duplicate Certificate of Title to the registrar for amendment, if our account is still shown as a registered charge on it.

I sincerely hope that cancellation of these old debts, and the release of the lands concerned as security for the liens, will provide a measure of assistance to Mr. Simpson's heirs.

Yours very truly,

D. A. Davidson,

Dear Mr. Simpson,

I am pleased to advise that our recommendation for the cancellation of all outstanding Veterans' Land Act, Water for Animals or other Relief Indebtedness has been approved by the Government. Enclosed is a copy of a statement in this regard, which was tabled in the House of Commons by my predecessor, the Honourable Alvin Hamilton.

A notice has been sent to the Registrar, requesting him to discharge and release the lien from the title for the S.W.¼ of Section 22, Township 11, Range 14, West of the 4th Meridian, which is registered in your name. I would suggest that you submit your duplicate Certificate of Title to the Registrar for endorsement, at your convenience.

I sincerely hope that cancellation of these old debts and the release of your land as security for the liens will relieve you of the worry of this obligation incurred so many years ago by the drought.

Yours sincerely,

Memorandum

Mr. Perrin.

Re: Peter Sampson,
N.½ 14-10-6-4.

This case has received the investigation and recommendation of the Seed Grain and Relief Adjustment Board of Alberta as per their reports of the 29th of November last and the 10th ultimo. The indebtedness in this case consists of advances made by the Dominion Government in the year 1915 in the extent of $309.45 on which the amount due as on 31st of December amounted to $376.07. Also an advance of Seed Grain from the Municipal District of Excelsior No.92 on which the amount due as on the 31st of December last amounted to $223.36.

It is represented that the debtor applied for an adjustment and has offered the sum of $250.00 in full settlement of his indebtedness. The debtor has been farming in the Rosebeg district for eighteen years, and in most of them drought conditions were experienced, and has suffered serious hardships. He desires, as far as possible, to pay off his debts, wherever possible by effecting compromise settlements with his creditors. It has been established that he can offer no larger sum than $250.00. The debtor is a man of 58 years of age with the best of his working years behind him and it is felt that he should be assisted by the acceptance of this amount in full settlement of his indebtedness.

It is recommended that the pro rata payments of $157.87 to the Dominion Liens and $92.13 to the Provincial Seed Grain and Relief Liens be discharged and removed and the remaining balance be written off.

I presume, therefore, it will be in order to prepare the necessary Memorandum to Council.

N. J. Hodges.

the relative wet district, it is most unlikely that the debtor will be able to make any further payment for years. He is 58 years of age with the best of his working years behind him and it is felt that he should be assisted by acceptance of this proferred amount in full settlement of this indebtedness to make a general compromise with his ordinary creditors now that he has an opportunity to do so on a reasonable basis.

It is, therefore, recommended that this amount be accepted in full settlement of his indebtedness and be divided pro rata between the indebtedness to the Department of the Interior and the Municipal District of Excelsior #92.

I enclose a cheque payable to the Financial Controller, Department of the Interior for the sum of $157.07, and one payable to the Department of Municipal Affairs, for application to the account of Municipal District #92 for the sum of $92.13 representing the amounts allotted to Dominion and Municipal liens. The latter sum should be applied as between Seed Grain and Relief accounts in the following manner:-

Seed Grain	$61.98
Relief	30.15

It is recommended that authority to write off the unpaid balance of these accounts be given.

Yours truly,

"Sgd" W.Loree.

-8-53. November 19th, 19[illegible].

W.J.Fream, Esq.,
Chairman, Seed Grain & Relief Adjustment Board,
Edmonton, Alta.

Dear Sir,- Re - Peter Sampson, W.½ 14-10-6-4.
Dominion & Municipal Liens.

Peter Sampson obtained the following advances from the Dominion Government:-

1915	Relief and Fodder	$41.90
1915	Fodder	37.40
1915	Fodder	5.90
1915	Fodder	14.40
1916	Fodder	37.00
1915	Seed Grain	173.55

He has repaid the sum of $38.94, leaving outstanding with interest to December 31st, 19[illegible], a balance of $376.07.

A lien for $51.80, presumably for the total of the 1915 Fodder advances of $37.40 and $14.40, is registered on title to W.½ 14-10-6-4, which stands in the debtor's name. There is no other Crown lien registered.

The advances constitute a charge on W.½ 14-10-6-4, the debtor's unpatented pre-emption entry, on the purchase price of which he still owed $571.76 on November 1st, 19[illegible].

On July 19th, 1920, the debtor obtained the following advances from the Municipal District of Excelsior No. 9[illegible].

Seed Grain	$93.00	
Interest to Dec.31,19[illegible].	56.39	149.39
Relief	46.47	
Interest to Dec.31, 19[illegible].	27.50	74.97
		$[illegible]3.36

A lien is registered on Title to W.½ 14-10-6-4, to secure these advances.

The debtor has applied for an adjustment and has offered the sum of $[illegible]50.00 as in full settlement of his indebtedness to the Department of the Interior, and to the Municipal District of Excelsior No.9[illegible].

By personal enquiry, it has been ascertained that the debtor has been farming in the Excelsior district for eighteen years, and in most of them drought conditions were experienced, with the result that the debtor's labor produced for him no results and that he suffered during most of the time serious hardships. He persevered in spite of difficulties and in 1917 and 19[illegible] managed to raise a crop, but this year it was badly frozen. He,nevertheless, desires as far as possible, to pay off his debts, wherever possible by effecting compromise settlements with his creditors.

It has been established to my satisfaction that he can offer no larger sum than $[illegible]50.00 in full settlement of his seed grain fodder and relief indebtedness and it is believed that in paying this sum he is almost exceeding the limit of his available resources.

Should there be a return to drought conditions in

Re - Peter Sampson - W.D. 14-10-6-4
Board Order No. 479.

The Prairie Farm Relief Adjustment Board appointed under Order P.C. 2200 hereby recommends that the Dominion Liens now registered against the W.D. 14-10-6-4 in the name of Peter Sampson be adjusted at the sum of $157.27, and that upon payment of this amount the liens be discharged and the full amount thereof be written off.

In support of this recommendation the Board submits the report of the Acting Director, Debt Adjustment Act, dated November 29th, 1928, and states:

1. The debtor has been farming in this District for a number of years and has experienced considerable hardship. He is desirous of making a settlement of his affairs and has arranged for a satisfactory compromise settlement with his other creditors.

2. That the land is situate in a very dry district and it is advisable that an adjustment be made of this liability.

3. That the Board is of the opinion that the proposed settlement is fair and reasonable.

The Board therefore recommends that upon payment of the sum of $157.27 the full amount of the liens now registered against the said land be discharged and the balance remaining unpaid be written off.

Re: Municipal Liens.

The Board understands that certain advances were also made to this debtor by the Municipal District of Excelsior No. 92 including relief advances in which it may be possible that the Department of the Interior is interested.

In the event of this being so, the Board recommends that the Municipal relief advances be compromised at the sum of $30.15 and that upon payment of one half of this amount as required to the Department of the Interior, any claim against the Municipality or the Province for the balance remaining unpaid on said liens be discharged and the remainder balance be written off.

Dear Sir:-

This letter is written you at the request of Andrew L. Nelson of this city and in reference to your file #1459664 dated Sept. 26, 1907 with reference to the relinquishment of homestead for the NE ¼ of 10-13-21 West of the 4th Meridian.

Enclosed please find declaration of abandonment duly signed by said Mr. Nelson with reference to the above mentioned real estate.

It is Mr. Nelson's intention to go into Canada and file on another homestead this spring as I suppose the one he did file on has been taken.

Mr. Nelson is a good worker but is of limited means and he was prevented from going into Canada to proove up on the homestead on which he filed, on account of sickness in his family and also that he was unable to dispose of his home here which means were to be used to move his family into Canada and proove up the homestead.

Will you kindly reply to this letter addressing it to Mr. And. L. Nelson personally letting him know if there is anything else for him to do in order to permit him to make another entry as he intends to do. Your prompt attention to this will be greatly appreciated by Mr. Nelson.

Your files 47071,

I am in receipt of a copy of a letter dated the 11th inst. from your office, addressed to Messrs. Balcher and Burnet, Barristers of Regina. In this letter you refer to Seed Grain advances made to Joe Herbert, which apparently illegally clouds the title of the S.E. 6-17-18 W4M.

If you forward to me a copy of the letter which you received from Balcher & Burnet, I would be in a much better position to know of the liens which are apparently wrongfully registered against this land.

Re: Account of John S. Andrus
T.P.A. 27-13-21-W.4th

The matter of an application for adjustment of indebtedness outstanding against the above-mentioned party is referred to you, as Indian Agent to deal with and report as an investigation I am now in a position to report as follows:-

Joint-provincial and federal advances of relief amounting to $240.90 were made to John S. Andrus in 1926 and 1922, on the security of the above-mentioned land. A payment of $3.00 was collected by the province in 1926 and applied to the interest. The present standing of this account is:-

Principal	Interest	Total
$240.90	$737.00	$[illegible]

The Provincial authorities have advised us that these liens are not registered against the title to this land.

By a Cabinet directive of the 17th of May, 1930, approval was granted to discontinue negotiations for compromise settlements after the 13th of April, 1931, and to cancel the remainder of the Federal share of outstanding indebtedness for seed grain, fodder for animals and other relief. The Province of Alberta has agreed to cancel their share of the joint Federal-Provincial indebtedness.

Therefore, it is recommended that the Joint-Provincial and Federal indebtedness listed above be cancelled without any payment.

JUL 28

Dear Sir:

I quote hereunder letter just received from our agent in-charge, C. J. Broughton, 112 W. Adams Street, Chicago, Ill.

"Mr. Charles Dowler, Taylorville, Illinois, homesteaded on the 3rd of May, 1910, the Northwest Quarter, Section 10, Township 12, Range 9, West of the 4th Meridian. He got his patent for this land but lost everything he had on account of six years of bad crops. The Manufacturers Life Insurance Company, Toronto, made a loan and sold the land.

Mr. Dowler wishes, if possible, to make another homestead entry. Will you kindly take this matter up with the Department of the Interior and advise at your earliest convenience. The number of Mr. Dowler's Interim Receipt is 19761, dated at Medicine Hat Sub-Agency, 3rd day of May, 1909".

Will you be good enough to advise Mr. Dowler direct as to the attitude of your Department regarding eligibility of applicants for second homestead entry. It would be appreciated if when writing to Mr. Dowler, you would be kind enough to furnish Mr. Broughton and this office with a copy of your letter so that all records would be completed.

Yours truly.

DOMINION LANDS ADMINISTRATION

Copy to: A.D.L., Lethbridge, OTTAWA, 31st July, 1928.
Ref.-#19773-M.H.

Sir,-

N.W. ¼ of Sec. 10, Tp. 12, Rge. 9, West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1908, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant.

W. W. Cory

Acting Commissioner
of Dominion Lands.

fact is significant that the amount of Seed grain, etc, for which Lien 256 B.C. was registered is equal to the total amount of liens 6576 B.C. and 4537 B.H., which leads us to enquire whether the instrument No.256 B.C. should not have been a discharge of the former liens.

Sir,-

S.E.¼ of 16-1-17-W. 4th Mer.

The Agent of Dominion Lands at Lethbridge has transmitted herewith your statement in defence of the cancellation proceedings pending against your entry for the above described land, from which it appears that you are during the present season employed at farm labour.

You were also employed in 1917, and furnished evidence in that connection.

You have also furnished form No. 310 in reference to your employment during this season, and you will require at the expiration of your term of employment to furnish the further evidence required.

Under the provisions of the Order-in-Council of the 7th March, 1918, you are not relieved of the performance of the cultivation duties for the year 1918, in view of the fact that you took advantage of the 1917 Order-in-Council and were relieved of both residence and cultivation.

The evidence shows that you have done nothing this year in respect to cultivation and your entry will therefore have to be considered as being in default.

Kindly advise the Department by return mail what you are prepared to do in the way of cultivation.

Your obedient servant,

Assistant Secretary.

Sir,

Re S. E. ¼ 16-1-27- . 4th M.

The Agent of Dominion Lands at Lethbridge has transmitted here final evidence in support of your application to be credited with farm labour during 1918 under the Order-in-Council in that behalf, in connection with your homestead entry for the quarter-section above mentioned, which completes the evidence as to farm labour for both the years 1917 and 1918. Under the regulations, therefore, you are entitled to credit for the performance of two years' residence duties in respect of your homestead.

I am to add, however, that cancellation proceedings are pending against your entry and it will, therefore, be necessary for you by the 16th April next to fully satisfy the aforesaid Agent that you are in actual residence on your homestead in a habitable dwelling house, with the intention of completing a full term of six months' residence in addition to the cultivation duties, and I am to warn you that should you fail to do so your entry will be liable to summary cancellation without further notice.

Kindly note that as your purchase land is over nine miles from your homestead you will not be entitled to credit for residence thereon in connection with your homestead, as the provisions excepting farm labour were not renewed after the year 1918.

Assistant Secretary.

Sir,-

S.E. ¼ of Sec. 16 Tp. 1 Rge. 27 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1918, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have received homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

re F. T. and T. Smith.
N.½ 22-1-24-W.4th M.

I beg to acknowledge the receipt of your letter of the 15th of March last and it is presumed that your inquiry in the matter of F. T. Smith concern certain liens in the amounts of $68.00 and $634.15 given by one F. T. Smith on the security of the N.½ of 19-5-19-W.4th M. which are at present under adjustment.

In the case of T. Smith liens for $37.00, $52.40 and $45.00 were given by one Thomas Smith on the security of the South West quarter of 12-9-16-W.4th M. which liens have been paid in full.

In order, however, to ascertain the conditions of the state of title investigation is being made.

Your ref. B.C. No. 5126.

It will be observed from your records that a Board Order dated the 9th of January last made certain recommendations concerning the above described lands which have been submitted to Council for ratification.

It has recently been ascertained that the liens of F. T. Smith affect title to the E.½ 32-1-14-.4th W.

The liens of $854.15 and $66.00 become a charge when a transfer of the land took place on the 1st of March, 1919, to Frederick T. Smith and title having been registered in his name on the 18th of July, 1919.

On the latter date a mortgage was registered in favour of The Royal Bank of Canada and although the interest of the Royal Bank is subservient to our liens they obtained a Vesting Order and title issued to them on the 26th of June last subject to our liens.

In view of these circumstances the Board might, therefore, be allowed to make a further recommendation covering the E.½ 32-1-14-.4th W.

Further to my communication of the 22nd ultimo, I would advise you that title to the land has been investigated and indicates that you have a perfect claim to the remains of SW¼ Sec. 15 and NE¼ Sec. 16 as against Joseph Hurst in the vicinity of Lac La Biche.

In view of the possibility of which the Department had no knowledge at the time the patent was originally issued, the matter may perhaps be referred to Hurst for further consideration.

I might state for your information that the present entitlement in respect of the above mentioned lines is 288.47 in which sum is included the amount of the Hurst claim totals £110.7%.

Further to this office communication of the 15th ultimo, in which you were advised that the matter of an adjustment of the amount due on the Crown liens as registered against title to the above described quarter had been referred to the Alberta Board, who were already considering this indebtedness as it affected title to the S.E.¼ 16-1 27 W.4th Mer.

I am now in receipt of a communication from the Director of the Debt Adjustment Act to the effect that he is not in a position to present any recommendation until either a sale of the S.E.¼ 16 has been effected by the Department of Municipal Affairs or an application for adjustment in so far as the liens affect the N.W.¼ 22-1-24 W.4th has been filed.

the S.E. 22-1-24 W.4th.

Under date of the 17th June, 1931, you were advised of the additional security, and on the 23rd idem. Mr. Lorree advised that he did not consider it necessary at that time to submit a report to the Seed Grain and Relief Adjustment Board supplementing his former report, as the Board Order did not finally dispose of the liens. It was therefore decided to allow the matter to stand in abeyance pending sale of the S.E. 16-1-27 W.4th or an application for adjustment in connection with the S.E. 22-1-24 W.4th.

Re: Account of Frederick Thomas Smith
S.E. 16-1-27-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 seed grain and fodder amounting to $602.15 were advanced to Frederick Thomas Smith on the security of the N.½ 19-5-19-W4 and later became attached to the S.E. 16-1-27-W4, the S.E. 30-5-19-W4 and the N.W. 22-1-24-W4. Under authority of Order in Council P.C. #59/1374 dated the 12th of June 1931, the N.½ 19-5-19-W4 and the S.E. 30-5-19-W4 were released as security for the liens. Under authority of Order in Council P.C. #11/430 dated the 3rd of March 1938 the N.W. 22-1-24-W4 was released as security for the liens. The balance of the indebtedness has since remained as a charge against the S.E. 16-1-27-W4. Payments of $550.17, $10.00 and $100.00 were received in 1916, 1926, and 1937, respectively, and applied to the principal and interest. The present standing of this account is:

Principal	Interest	Total
$ 34.20	$ 24.54	$ 58.74

Patent was issued in the name of Frederick Thomas Smith for the S.E. 16-1-27-W4 on the 21st of March 19[illegible], subject to the liens.

Title to the land has since reverted to the Crown in the right of the Province under the Tax Recovery Act.

The land is now under the jurisdiction of the Department of Lands and Mines, Province of Alberta, and is still vacant and no longer being operated. It is not assessed as of any value or subject to taxation. As such the land no longer offers any security of value for our liens.

Under the circumstances it is recommended that the balance of the indebtedness be cancelled and the liens discharged.

C.[illegible] Gilchrist.

Re: Account of J. M. Moyson
No. 19-2-19-3.4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

A Joint-Provincial and Federal advance of relief amounting to $120.00 was made to J. M. Moyson in 1920, on the security of the above-mentioned land. Payments of $4.72 and $105.00 were collected by the Province in 1920 and 1923, respectively, and applied to the principal and interest. No payment has since been received and the present standing of this account is:-

Principal	Interest	Total
$30.00	$90.28	$120.28

The Provincial authorities have advised us that this lien is not registered against the title to this land.

By a Cabinet directive of the 17th of May, 1930, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1930, and to cancel the remainder of the Federal share of outstanding indebtedness for seed grain, feeder fer animals and other relief. The Province of Alberta has agreed to cancel their share of the joint Federal-Provincial indebtedness.

Therefore, It is recommended that the Joint-Provincial and Federal indebtedness listed above be cancelled without any payment.

Re: Account of Courtney Mosher
[illegible]

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

Joint-provincial and federal advances of relief amounting to $488.00 were made to Courtney Mosher in 1926 and 1922 on the security of the above-mentioned land. Payments of $9.09, $25.00, $5.00, $100.00 and $50.00 were collected by the Province in 1942, 1945, 1928, 1930 and 1940, respectively, and applied to the principal and interest. No further payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$128.73	$335.33	$464.36

The Provincial authorities have advised us that these liens are not registered against the title to this land.

By a Cabinet directive of the 15th of May, 1931, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1932, and to cancel the remainder of the federal share of outstanding indebtedness for seed grain, fodder for animals and other relief. The Province of Alberta was asked to cancel their share of the joint federal-provincial indebtedness.

Therefore, it is recommended that the joint-provincial and federal indebtedness listed above be cancelled without any payment.

F. H. Ellinson.

INTERIOR
1913

Sir;-

I beg to acknowledge the receipt of your letter of the 9th ultimo, reference 0426, and in reply to request you to communicate with Mr. Guillaume Lemoine of Bow Island, Alberta, in connection with his certificate of birth, which is required to show that he was of legal age when homestead and pre-emption entries were granted him for the North East quarter of Section 15, and the North West quarter of Section 23, Township 10, Range 13, West of the 4th Meridian.

Your obedient Servant,

Assistant Secretary.

The Agent of Dominion Lands,
Medicine Hat,
Alta.

In view of Mr. Rothwell's opinion that we should satisfy ourselves prior to the issue of patent that the regulations have been complied with in every particular and that a patent once issued should not be disturbed, and the fact that Mr. Lemoigne performed sufficient duties after reaching the age of eighteen years to entitle him to patent, I would suggest that the homestead patent remain undisturbed.

As regards the pre-emption, he made his entry therefor after he became eighteen years old. Up to the 30th November, 1912, the date of his defence against the cancellation proceedings, he had performed his settlement duties.

This man has been a good settler so far as the settlement duties are concerned.

If the homestead patent is not disturbed it is a recognition of his homestead entry and of his right to take up a pre-emption, and the Department could hardly with any consistence take action against the pre-emption without assailing the homestead.

As this settler may have been acting in good faith when he made his homestead entry and under the impression that he was old enough to take such action, I would recommend that if he will furnish the Department with a statutory declaration, setting forth that such was the case, and give a statement of what he has done to date upon his pre-emption in the way of settlement duties, the proceedings be abandoned (provided, of course, it is shown the duties are being performed) and no further action be taken.

This case is out of the ordinary by reason of the patent having been issued, but a large number of cases of misrepresentation regarding age are brought to our attention, and I think that where there is any doubt or suspicion whatever (notwithstanding the fact that he takes the necessary declaration) as to the age of an applicant for entry that the Agent should only grant the entry subject to the entrant's submitting a Certificate of Birth within, say, sixty days.

The Department might be saved a great deal of trouble if a little extra precaution were taken at date of entry in cases where the appearance of the applicant left room for doubt as to his age.

Re N.W. 22-10-10-W.4th M. Entered 5th April, 1907.
Patented Ed. G. Lemoigne, 13th Feb., 1912.

N.W. 23-10-10-W. 4th M.,
Pre. G. Lemoigne - 11th September, 1908.

This is a case of misrepresentation regarding age when making homestead entry.

On the 20th November, 1912, cancellation proceedings were instituted against this settler's pre-emption. He appeared before the Local Agent and filed a defence from which he appeared to be performing his settlement duties. The Agent also gathered from his conversation that he was not eighteen years old when he made his homestead entry.

In accordance with our request, Mr. Lemoigne has furnished his birth certificate which gives the 22nd April, 1890, as the date of his birth. In his letter forwarding the certificate he states:-

> "According to this bulletin I see
> "that I am younger than I believed and I
> "beg the pardon of the Government for my
> "fault which I have committed in taking
> "land so soon."

When he made his homestead entry on the 5th April, 1907, he lacked one year and seventeen days of being the full age of eighteen years.

According to his application for patent for his homestead he performed sufficient duties on his homestead after becoming eighteen years of age to entitle him to patent. Patent itself was not issued until after he was twenty-one years old.

Sir,

I beg to acknowledge the receipt of your letter of the 10th ultimo, File 20069, and in reply I am to say that nothing further is to be done at present in connection with the patented homestead of Mr. Guillaume Lemoigne for the S.W.¼ of Section 22, Township 15, Range 10, West 4th Meridian.

Your Obedient Servant,

The entrant has not since been heard from but the application for cancellation is pressing the case.

An Inspector was detailed to investigate and his report is as follows:

"[illegible].
No residence since obtaining patent for homestead.

General remarks,-

I beg to state that there are no improvements on the above land. Mr. Lemoyne has 9 acres broken on his homestead but has done no duties that would count on pre-emption since obtaining patent for homestead."

As Mr. Lemoigne had only completed forty acres of breaking when he made his application for patent it would appear that he had ploughed an area of fifty acres since that date.

Mr. Jean Lemoigne (father of entrant) has written to the Department representing that he is of the opinion that his son is dead and requests authority to complete the duties.

Under the circumstances I would suggest that if the homestead is still the property of the son, the father be given a reasonable time to ascertain definitely whether the son is living or dead and if dead that he be allowed to complete the settlement duties.

Should title to the homestead not rest in the son's name it would appear that the pre-emption should be cancelled as there are no improvements whatever on the land.

No. N. T. 1 of 22-10-10-W. 4th M.
Pre-emption entry granted 11th Sept. 1908.
Homestead Guillaume Lemoigne.

Mr. Lemoigne made homestead entry for the adjoining Quarter Section on the 5th of April, 1907. Application for Letters Patent received the Commissioner's approval on the 1st of February, 1911. Patent issued on the 13th of February, 1912.

It was reported to the Department and later established that Mr. Lemoigne had not attained eighteen years of age when he made his homestead entry. His Birth Certificate showed that he was born on the 22nd of April, 1890.

A further investigation showed that Mr. Lemoigne had mortgaged his homestead and obtained some $500.00 of a loan. Under the circumstances it was decided not to take action.

Cancellation proceedings were instituted against the pre-emption entry on the 20th of November, 1913.

The defence filed showed residence from the 15th March, 1912 to 1st August, 1912; 6th of October 1912 to 13th of November, 1913; 26th November, 1912, to 30th November, 1913.

Cultivation: fifty acres breaking, 1911, fifteen acres cropped, 1911.

On the 16th of December, 1913, a blank form number 36 was forwarded for agent to execute a statutory declaration showing progress.

I beg to acknowledge the receipt of your letter of the 21st instant respecting the H.E. of Section 2, Township 10, Range 10, West of the 4th Meridian, the pre-emption entry of your son, J.Lemoigne, who has apparently disappeared, and in reply to say that according to a homestead Inspector's report recently received, four men have completed no ruptions since securing patent for the homestead, the N.E. of section 2, in the same township.

The Inspector also states that no improvements have been performed on the pre-emption quarter. Under these circumstances, it has been decided to hold over the cancellation proceedings outstanding for 30 days from this date, to give you an opportunity to furnish the Agent with an Abstract of Title up to date, showing the present ownership of the homestead.

I might also add, that you should in the meantime, make every effort to ascertain the whereabouts of your son and advise the Agent above mentioned what the results are, when forwarding the Abstract of Title. Failure to comply with these instructions may result in the cancellation of this entry.

Sir,

I beg to inform you that a report has been received here from the Agent of Criminion Lands at Medicine Hat to the effect that you have failed to furnish him with an abstract of title, showing the present ownership of your son's homestead, which he patented some time ago, in order that the Department may decide whether his pre-emption entry for the North west ¼ of Section 23, Township 10, Range 10, west of the 4th Meridian, is in good standing, as instructed in the Departmental letter sent you on the 29th of August last.

As it is thought, however, that you may have neglected this matter through an oversight, it has been decided to allow you a further period of thirty days within which to furnish the required information, but I am to warn you that should you fail to reply within the time specified, the cancellation of the above mentioned claim may ensue.

MEMORANDUM: (2)

Mr. Lemoigne has about 90 acres broken on his homestead, but has done no duties on his preemption that could count since obtaining patent for the homestead.

As Mr. Lemoigne had only completed 40 acres of breaking when he made application for patent, apparently he has plowed an area of 50 since that date.

A letter dated the 3rd August last was received from the father of the entrant in which he represented that he was of the opinion that his son was dead and he requested authority to complete the duties.

Your instructions were as follows:-

"Allow the father 30 days to
"furnish a frest abstract of title
"up to date showing present owner-
"ship of homestead.
"Meantime he should make
"every effort to ascertain where-
"abouts of son and advise the
"Department what the results are
"when forwarding the abstract."

The Agent in his covering letter of the 16th ultimo informs this office that Jean Lemoigne (father of the entrant) has failed to comply with the instructions contained in our letter to him of the 15th October last, wherein he was notified to comply with the instructions contained in Departmental communication of the 29th August last.

It is noted, however, that the communication referred to of the 29th August has been returned here marked "not called for."

The Agent wishes to be advised what action to take in connection with the cancellation proceedings pending.

Granted 11/9/1908

This case was submitted to you on the 22nd August last.

It is one in which the entrant obtained patent for his homestead, the NW¼ of 22, in the same township, on the 13th February, 1912, and after which it was reported to the Department that the entrant had not attained the age of eighteen years when he made entry, his birth certificate showing that he was born 22nd April, 1890

Further investigation showed that Mr. Lemoigne had mortgaged his homestead and obtained some $5000 on the land. Therefore under such circumstances, it was decided not to take action.

Cancellation proceedings were then instituted against the preemption entry on November 20th, 1912, and a defence was filed.

On 16th December, 1913, the entrant was asked to forward a further declaration showing what progress he had made, but was not heard from, and the applicant for insurrection is pressing for a decision in the case.

A Homestead Inspector was detailed to investigate and report in the matter; the report was received, and stated that there had been no residence since patent for homestead was obtained, also that there were no improvements on the above land.

You might inform him if he does not furnish the information on the date mentioned, that the entry will be summarily cancelled and the land otherwise disposed of.

The father was written to in August last accordingly the instructions and not being heard from the case was again submitted and you ruled that the father be allowed a further time until the 1st of April next within which to furnish the necessary information.

Messrs. Winkin & Stevens now write on behalf of the father filing an Abstract of Title in connection with the patented homestead.

According to the Abstract in question Title from the patented homestead was transferred on the 17th of September last to the Security Trust Company, Limited, and is not now vested in the pre-emptor.

From the information to hand it may be inferred the entrant has performed in connection with the pre-emption one term of residence that could count to his credit, that nothing has been done in the way of settlement duties since the Fall of 1912 and now that the homestead does not stand in the pre-emptor's name nothing has been done in the way of cultivation.

Pre-emption Guillaume Lemoigne
11th September, 1908.
Cancellation proceedings being taken since
November, 1913.

Is this entry to be cancelled in default of the performance of the required duties?

It might be stated the pre-emptor in this case secured patent for the homestead notwithstanding the fact it was not then known that homestead entry was granted prior to his having attained the age of eighteen years. Inasmuch as patent had issued and the sum of $5800.00 placed in a mortgage it was decided not to take any steps to disturb the Title and further to confirm the pre-emption entry.

In defence of the cancellation proceedings instituted against the pre-emption in November, 1913, the entrant filed a defence claiming almost a full period of residence in the year 1912 and in the way of cultivation fifty acres of breaking and 15 acres in crop.

He was afterwards written to and not again heard from.

According to a report since received no residence has been performed since the ~~application for~~ patent for the homestead was obtained and no improvements placed on the pre-emption quarter-section although possibly forty acres additional breaking has been done on the homestead.

A letter dated the 3rd of August last was received from the father of the entrant in which he represented that he was of the opinion his son was dead and that under the circumstances permission be given him to complete the duties.

In reply it was ruled that the father be allowed thirty days

Failing the receipt of this proof you are authorized to carry out cancellation summarily and of this you should inform the entrant and the father to all known addresses and the post office nearest the land.

Subsequent to departmental letter to you of the 10th instant I beg to say Messrs. While it is possible the entrant in this case can be credited with one term of residence as nothing has been done in that regard since the Fall of 1912 and as none of the breaking on the homestead can now count to his credit, the homestead having been sold, the father cannot be considered as entitled any longer to special consideration at the hands of the Department on the ground that his son cannot be found.

The son, the pre-emptor should be written to and given a final notice until the 1st of April next within which to go into residence on the pre-emption in accordance with the regulations and furnish you with satisfactory proof that he has done so.

I beg to acknowledge receipt of your letter of November 24th, 1930.

Sir,-

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I beg to acknowledge the receipt of the statement filed by you with request of your desire to make application for patent for your homestead, and in reply to say from the information furnished it would seem that you have completed the requisite residence duties for two years only. Therefore it will be necessary for you to put in a further period of six months residence dating from the 7th of March last.

Provided you do this and crop a reasonable proportion of the area already broken next season you will then apparently be entitled to make your application for patent and in any event you could not make your application until three years have elapsed from the date of your entry.

To [illegible]

if you desire this action taken.

According to the declaration furnished with your letter, you have performed sufficient duties to entitle to patent for the North West of 20 (if it is changed back to your homestead), but from the Agent's letters to you it would seem that only one witness credits you with enough time. The Agent, however, is being asked to furnish a report on this point and also in regard to your assertion that a clerk in his office gave you wrong information which influenced you to interchange your entries.

Your obedient servant,

Assistant Secretary.

Sir,

N.E.¼ 19 & N.W.20 2 14 W.4th M.

I beg to acknowledge the receipt of your declaration of the 2nd and letter of the 6th instant, and in reply to say that all your statements have been given the most careful consideration.

When a homesteader performs his residence by living on the homestead quarter section, ~~and~~ subsequently has the homestead and preemption entries interchanged, under the regulations patent cannot issue for the homestead until it also issues for the preemption, as the residence is counted as having been performed on the preemption quarter section. If any clerk in the Agent's office informed you otherwise, he was in error, as the regulations will specify in this regard.

The best way out of the difficulty would seem to be for you to have your entries change back to the position in which they originally stood, that is, the North West of 20 as your homestead and the North East of 19 as your preemption. If such action is taken, you would require to make a fresh application for patent, covering the North West of 20. Kindly advise the Department

[illegible]

Sir

I have the honour to [illegible] your favour of the [illegible] in connection with your application for patent for the North West ¼ section 20 Twp 2 Rge 19 west 4th M. I beg to advise you that as you hold the [illegible] as a pre-emption entry you will not be entitled to apply for patent until [illegible] years have elapsed from the date of the homestead entry.

I might state that if you will apply for patent for your pre-emption the NW ¼ Sec 19 Twp 2 Rge 19 W 4th the same will be issued to you

except that it was because I have been holding it as my homestead. This seems to me a very complicated affair and as far as I can suggest the only thing to do would be to withdraw my entries back of me and I am quite ready to do

Also I have already made application for patent for the quarter on the first place I hope it may not be necessary for me to do so again. I wish now to thank you for your attention to this matter.

That I have received a letter from the agent at Lethbridge (a copy of which I am enclosing) requesting me to make application for patent for the N.E.¼ Sec 12. 2. 14 which of course I did previous to receiving your letter. I don't know why he wished me to do this

I am

inst. and beg to state that I
would like to have my entries
changed back again to the
position in which they originally
stood, so that I will hold the
NW¼ sec. 20. 2.14 for as my homestead

but as an application for patent is a legal document and as the application already made in for the North East ¼ it would be necessary in any case to have the evidence re-sworn, as well as the evidence of your two witnesses, were the description of the land in the application merely altered to meet the circumstances of the case.

In view of the foregoing, another trip is unavoidable.

I beg to acknowledge the receipt of your letter of the 5th inst., and hereby am to say that a copy of your application has been forwarded to Ottawa for consideration, in accordance with your request, to transfer to their original standing your homestead and pre-emption entries for the North East ¼ of section 19 and the South West ¼ of section 20, township 8, range 14, East of the 4th Meridian, in order that the North East ¼ of section 20 may again become your homestead, and the South West ¼ of section 19 your pre-emption.

The local agent will take this action at once and advise you accordingly, after which it will be necessary for you to appear with two witnesses fully cognizant of the facts governing, before either the local agent or a homestead for the Lethbridge District, and make a new application for patent for your homestead.

It is suggested that the further trip necessary for this purpose may be got in once and for all

Of course this road is no good to anyone else and I should greatly like to fence it twice to fence up the road & I thought if I could buy out the original road between my house & the captain for a small sum I could then take up my fence and put it along this new road but my survey destroyed our line for when the new road was surveyed. Dear Sir,

In 1913 the provincial Government of Alberta surveyed a road along the south of my homestead & preemption to allow my neighbours to the south east of me a road out. All the side roads are impassible for about two miles on account of the cut up by the coulees & the river. They intended to survey it on the blind line or section line but they were stopped by my neighbour to the south of me who would not let them put it through here as it was splitting his homestead from his preemption the same as mine is. I protested to the Government against surveying it along the section line as it would make me three roads on each quarter section which I claimed was unjust when my neighbours only had one road and they wanted the road to get out and I did not. My protest was of no avail and I have had to give in to this injustice. I am now writing to you to see if I can buy this road between my homestead and preemption as it is absolutely impassible on account of the big

Re road on South boundary of

N.E. 20-2-14-4. 4th Meridian.

I beg to return herewith your reference 10750 and to say that a roadway was surveyed by the Province along the line dividing the north and south halves of sections 19 and 20, township 2, range 14, west of the 4th meridian, presumably because the statutory road allowance on the north boundary of these sections was impassible.

Your correspondent contends that by this action there are now three roads around each of the quarter sections and he wishes to buy the road allowance between the north east quarter of section 19 and the north west quarter of section 20, claiming that it is impassible.

My understanding of these matters is that when the Province makes a diversion from the original road allowances, these road allowances are closed and arrangements made with the owners of the lands affected, and therefore there would not be three roads around any lands.

In any event we are not consulted in respect of the Dominion Government's ownership of road allowances. These are all under the control of the Province and we should apply to the Deputy Minister of Public Works at Edmonton.

Respectfully submitted,

I am in receipt of your communication of the 7th ultimo, stating that Mr. Alfred T. Witts, who is farming the above described land, has applied for adjustment of his debts.

In reply I beg to inform you that the North West quarter of Section 20, Township 2, Range 14, West of the 4th Meridian is his patented homestead.

The North East quarter of Section 19, Township 2, Range 14, West of the 4th Meridian is his pre-emption entry and he has made an application for patent for this land claiming that the required duties have been satisfactorily performed. Dear Sirs:-

Re: Alfred A. Mitts, Mile River, N.E.¼ 9.
N.W.¼ 20-4-14-W. 4th M.

Supplementary to my general letter and preliminary statement of September 7th last, I now beg to submit for your further information and approval as a creditor a final statement of Mr. Mitts' farming operations for 1923 and my proposed adjustment of the marketable crop proceeds thereof:

The 110 acres in wheat produced 1541 bushels and the 20 acres in oats produced 465 bushels. 1713 bushels of wheat were delivered to my order and the balance, 128 bushels, with the oats, are held on the farm to put in the 1924 crop. The disposition of the 1713 bushels of wheat would appear thus:-

1713 bus. of wheat gross, sold outright for $1,011.15

Disbursements:

Threshing bill	$ 2.35	
A.F. Mitts. coal and flour	57.15	
" " " on exemption allowances	150.00	
Balance in trust at date	801.65	
	$1,011.15	$1,011.15

Balance forward 801.65

Proposed to pay:

Dept. of Municipal Affairs, arrears taxes	[illegible]
Sleepy Hollow School District, taxes 1923	[illegible]
E.E. Watling, wages cutting grain	37.75
Robert Walberg, supplies [illegible]	[illegible]
Willis Nichols, " "	[illegible]
Dept. of Agriculture, on [illegible]	[illegible]
A.F. Mitts, balance of allowance	[illegible]
	[illegible]

this land badly involved, as outside of land indebtedness and the Department of Agriculture's account his total liabilities do not exceed $2,100.00, and one good crop should put him on his feet.

Providing I cannot be shown a fairer way of making the adjustment in this instance, it is my intention to close out my file on the basis shown, in seven days. I should, however, be glad to have your views in the meantime, for which please accept my thanks in anticipation.

re: Alfred T. Fitts, Milk River, N.E.¼ 9, N.W.¼ 20-2-14-4th M.

Supplementary to my general letter and preliminary statement of September 7th last, I now beg to submit for your further information and approval as a creditor a final statement of Mr. Fitt's farming operations for 192[illegible] and my proposed adjustment of the marketable crop proceeds thereof:

The 11[illegible] acres in wheat produced 1541 bushels and the [illegible] acres in oats produced 468 bushels. 1313 bushels of wheat were delivered to my order and the balance, 228 bushels, with the oats, are held on the farm to put in the 1924 crop. The disposition of the 1313 bushels of wheat would appear thus:-

Mr. White.

Re N.½ 19-...-1..., ...4th M..
Pre-emption - Alfred T. Fitts.
Entry granted 14th September, 1...8.

N.½ 20-...-1..., ...4th M.,
Homestead (patented 2...-...-1...).

Alfred T. Fitts made application for pre-emption patent on the 6th February, 1915, and a certificate of Recommendation was issued in his name on the 14th November, 1916, the fee not been renewed. The document is on file here.

It appears from the evidence on file that Mr. Fitts has been farming the land continuously but through crop failure has been unable to meet his obligations, and with the exception of a portion of the first instalment, payments are in arrears.

The Director of the Debt Adjustment Act, Calgary, a Provincial enactment, has taken charge of the estate, and reports under recent date as holding the sum of $551.65 for disposal. As a creditor the matter has been referred here with a request to be advised whether the proposed disposition of these moneys, which does not include a payment on account of the purchase price, is satisfactory to the Department. A list of proposed beneficiaries under this arrangement is enclosed in the letter of Director I. J. Fream of the 6th instant (file ...e 480480 and 480437 on D. file No.1566...9 herewith).

It will be observed, however, that it is stipulated in the letter that it is the intention of Mr. Fream to make an adjustment on the basis shown, within seven days from the date of his letter, that is to say, on or about the 13th instant (yesterday) and unless he is notified by telegram of an objection to the proposed arrangement, it would not appear that the Department will be able to participate in the disbursement.

Under all the circumstances of the case it may be desired to grant an extension of time for payment to the 1st November next, more particularly as it is not proposed apparently to press for payment of these particular dues on account of said grain indebtedness.

No record of cancellation proceedings.

Pre-emption - Alfred T. Witts.

I am to acknowledge your letter of the 8th instant, Reference File No. A-D.L. in connection with the case of Alfred T. Witts whose estate is under process of adjustment by your Department, in which you request to be advised whether the Department contemplates the preferment of a claim to participate in the residue of the crop harvested last year after deducting first charges, and in reply to say whereas you are understood to have already disbursed the money in your hands, it has been decided to take no action.

Under the circumstances, it has been decided to grant Mr. Witts an extension of time until the 1st November next for payment on account of the purchase price in connection with his pre-emption entry for the quarter-section above mentioned, and he is being advised accordingly at Milk River by means of a copy of this letter.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

In this connection I beg to say that the provisions of the Volunteer Bounty Act of 1908, as amended in 1912, ceased and determined as of the 31st December, 1913, in other words, the law is now obsolete, and under the circumstances the claim of Mr. Witts, who in any case would appear to have served with the British forces, can be given no recognition.

I have your letter of the 16th instant addressed to the Minister in which you request to be advised whether you are entitled to a soldier grant by virtue of being a veteran of the Boer War of 1899-1902.

In reply I may say that the provisions of the Soldier Settlement Act of 1919 extend only to those who saw service during the late European War.

While it is regretted that the Department is, therefore, not in a position to consider your application for a soldier grant, it would appear that you now hold 480 acres of Dominion Lands having secured entry for a second homestead on the 30th August last.

Sir,

re: S. E. 1/4-14- .4th Ler.

I beg to inform you that the amount to be paid in connection with the purchase price of your re-emption covering the above described land with interest on overdue instalments computed up to the 1st proximo is as follows:

Balance of principal ..... 416.
Interest ..... 41?.?
Total 87

In view of the fact that you have held this entry for nearly 20 years and having the amount owing on the account of the purchase price, it would seem that you have not made a very determined effort to substantially reduce your indebtedness. It is therefore expected that a very substantial payment will be remitted to the agent of Dominion Lands at Lethbridge within a period of thirty days from this date.

On advice from this official that such a remittance has been made, the Department will consider favourably the granting of an extension of time for the purpose of paying the balance.

Your obedient servant,

Alfred J. ...tte, Esq.,

and also complete the cultivation duties in respect to the second homestead on a crop share basis providing that no contract is entered into in the nature of an assignment of the interests of the estate in either one of the unpatented quarter-sections contrary to the provisions of Section 38 of the Dominion Lands Act, Chap. 113, R.S.C. 1927.

I may add, however, that there is no provision under the regulations whereby the estate could be permitted to take credit in connection with the second homestead for cultivation done on the pre-emption in excess of the requirements for the earning of patent for the latter mentioned quarter-section, but if the second homestead is difficult to cultivate by reason of the stony or broken character of the land the cultivation of the equivalent of thirty acres will be acceptable, or as an alternative, the estate might, on application, be permitted to substitute livestock for cultivation, providing the land is reported by a Homestead inspector to be unsuitable for agricultural purposes.

Touching the payment due on account of the purchase price of the pre-emption, I may say that Mr. Witts was granted a Certificate of Recommendation for the purpose of enabling him to mortgage, assign or transfer, or agree to mortgage, assign or transfer his interest in the land prior to the issue of patent, but it does not appear that he took any advantage of this provision in the regulations. It might be explained in this connection that in the event of your obtaining an offer for the land the Department is prepared, on application, to renew the Certificate of Recommendation, which is on file here, on the understanding however that the purchaser is prepared to advance sufficient funds to complete payment of the statutory purchase price and interest as aforesaid. Under no circumstances would the Department be authorised to entertain an extension of time for payment on behalf of a prospective purchaser.

No. 4071-2. I have your letter of the 12th instant, file in reference to the estate of Alfred T. Fitts who is reported to be mentally irresponsible and who is personally now in your custody in your capacity as Guardian, ex officio.

I may say, in reply, that title to the patented homestead issued on the 6th February, 1915, and disposition of the property lies outside the jurisdiction of the Department.

The settlement duties in connection with the pre-emption have been completed judging from information furnished by the said Alfred T. Fitts in his application for patent dated the 6th February, 1915, but patent cannot issue until such time as the purchase price and accrued interest is paid in full, in pursuance of which I would refer you to my letter of the 27th March last to Mr. Fitts which is no doubt now in your possession.

With regard to the second homestead acquired by Mr. Fitts on the 30th August, 1913, I may say that in view of his mental incompetency, residence and the erection of a dwelling house may be dispensed with but it will be necessary for the personal representative of his estate to complete the cultivation duties, and in any case patent may not be applied for prior to the 30th August, 1916, when three years will have elapsed from date of entry.

In the meantime there will be no objection to arranging to keep the pre-emption in a state of cultivation

Dear Sir:

Re: [illegible]

Your letter of the 2nd instant has been referred to me. The lien noted therein is the one referred to in our letter of the 31st ultimo as a typographical error occurred in our letter, the amount of the lien being $101.40 although the register is correct. On a search letter as John Grain while in your letter it was noted discharge is to be forwarded to J.R. Grier at Winifred.

Apparently the discharge issued on April 22, 1[illegible] was never passed on by the Registrar, Land Titles Office, Calgary for registration as the lien for $101.40 still appears on the title to the above land. It would, therefore, apparently be incorrect if you would kindly issue a second discharge in order that the Grier Agency may be in a position to issue title free of this encumbrance when the sale is completed. It is quite true that there is a claim against the land in respect of debt owing by Grier Agency and this account will be paid from the proceeds of the sale on the usual basis as soon as the discharge will be issued when the required monies are received.

I beg to acknowledge the receipt of your letter of the 7th ultimo, and in reply I am to say that as your entry for the S. E. 1/4 of Section 20, Township 12, Range 20, West of the fourth meridian, was cancelled in default, you having failed to comply with the conditions under which entry for same was made, you may be permitted to take up another homestead, and the presentation of this letter to any agent of Dominion Lands will serve as his authority for granting you another entry for any available homestead land, on payment of the required fee.

In connection with the improvements stated to have been made by you on the above mentioned land, I beg to say that it is the custom of the Department to instruct a homestead inspector to visit the land and value the improvements. Mr Allan E. Birce of Moskin, Alta. in his letter of the ninth ultimo requests re-fund of the value of the improvements effected by him on his cancelled homestead described above.

In December 1908 Mr Birce's entry was cancelled, he claiming at the time to have effected certain improvements. In November 1909 Joseph Mokos made entry and paid for improvements $50.00

In July 1910 Mr D. T. Stritchoff secured entry, and paid for improvements $30.50, and on which improvements the Inspector in October following placed a valuation of $30.00.

You will note that the Department is not in receipt of a Homestead Inspector's report respecting the value of the improvements in March 1909, the time Mr Mokos made entry, and which report it will be difficult to secure at this late date.

I think it may be inferred that the improvements made by Mr Birce at the time Mr Mokos made entry were worth what the latter paid $50.00, and that the amount collected

N. W. 18-21-1-W4.
Pre-emption of David Lush,
Patent applied for not recommended.

N. W. 18-21-1-W4.
Homestead of David Lush,
Patented June 1st 1917.

The duties claimed in the application for patent are set out on form #58 B. hereunder marked. Although this entrant appears to have performed more than the required cultivation duties, his entry is in default with regard to residence, as more than six months has elapsed since the termination of his last period of residence, and payments are outstanding.

The Agent of Dominion Lands, Lethbridge, Alberta, entertains the suspicion that the signatures to the evidence in this application for patent was forgery and has requested the Department to compare same with those on this file and other files in the Department.

This homesteader has been in the employ of the Sub-Agent of Dominion Lands, at Empress, and his signature on form #60, which the agent has transmitted here, is altogether different from that in the application for patent; moreover, both the signatures seem to be different from the signature of David Lush to the application for homestead patent, file 569108.

The signatures of the witnesses, William Thompson and John McMorran, are not the same as those in the applications for patents of this man. See files #1608100 and #676762.

Kindly read the Agent's letter of the 24th June last hereunder marked and advise whether he should be instructed to have this case thoroughly investigated so that it may be definitely ascertained whether or not an endeavour has been made to defraud the Department.

Homestead of David Lush.
Patented June 1st, 1917.

In his letter dated the 26th June last, the Agent of Dominion Lands at Lethbridge sets out that there would appear to be grounds for believing that Mr. Lush did not perform his residence duties properly, and that the signatures to the application for patent may be forgeries. A statement of the facts is set out in Mr. Leahy's memo hereunder. On comparing the signatures of the persons affected with the various documents herewith, I am not satisfied that sufficient difference exists to warrant a definite opinion that they were not made by the same persons. In any event an opinion based on a comparison of signatures is a hazardous matter.

In view of the statements made by the Agent, it would seem advisable that the matter should be placed in the hands of Mr. Martin, Inspector of Dominion Land Agencies, for investigation and the matter is, therefore, submitted for your decision.

Respectfully submitted,

J.W. Greenway, Esq.,
Commissioner of Dominion Lands,
O T T A W A.

However, it is rather difficult to arrive at definite decision by a comparison of claims and literature, as are accustomed to investigate the case carefully.

For your information and guidance I enclose herewith [illegible] film cover in the [illegible] reproduction copies of [illegible] and also the film covering the copies of the [illegible] to his application for patent, namely, Miles Benjamin and John Hamilton.

Re: Account of Harry B. Gillie
S.T.& 14-A-1-T.4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

Joint-Provincial and Federal advances of relief amounting to $578.20 were made to Harry B. Gillie in 1920 and 1921 on the security of the above-mentioned lands. No payment has ever been received and the present standing of this account is:-

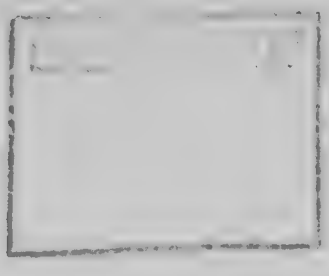

Principal	Interest	Total
$578.20	$1,723.54	$2,299.74

The Provincial authorities have advised us that these liens are not registered against the title to this land.

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for seed grain, fodder for animals and other relief. The Province of Alberta was agreed to cancel their share of the Joint Federal-Provincial indebtedness.

Therefore, it is recommended that the Joint-Provincial and Federal indebtedness listed above be cancelled without any payment.

Vesting Order is registered, and the Provincial liens are eliminated thereby, the entire indebtedness be written off as uncollectible in as far as these lands are concerned.

RE: S.E.35-3-12-W.4th Mer.

This was the debtor's pre-emption, his entry to which has been cancelled, and which is still vacant. The property is in an extremely dry district in the Province, and I do not consider it advisable that development of the property be hindered by retaining the former entrant's indebtedness as a charge against it. I recommend, therefore, that all liens be discharged as affecting this quarter section. Departmental Collectors seized and sold whatever chattels and grain this man had in his possession in the year 1926, and the proceeds of the said sale are credited in the above statement.

After having lost his land and his chattels the debtor left the Country entirely without assets, and he was last reported as being resident in Oregon, U.S.A. IN his last letter to us he states that he was having an extremely hard time in earning sufficient funds to provide a livelihood for himself and family. He was at that time working as a day laborer in a Saw Mill. There is no hope of any collection being effected on account of this indebtedness, and I recommend that it be written off in its entirety.

Yours truly,

DIRECTOR.

Provincial Seed Grain and Joint Relief.

The Seed Grain and Relief Adjustment Board, appointed under Order P. C. 2200, hereby recommends that the liens, Provincial and Joint Relief charged against the N.W.¼. 34-3-12-W. 4th Mer., and the S. ½, 35-3-12-W. 4th Mer., for advances made to W. C. Sterrett, be discharged, when the conditions hereinafter mentioned are complied with.

The Board submits the report of the Director, Debt Adjustment Act, dated June 24th, 1932, which report gives full details of all liens registered against the said land, and states in support of the recommendation:-

1. That at the time the advances were made the debtor was the owner of the N.E.¼. 34-3-12-W. 4th Mer., and the S.W.¼. 35-3-12-W. 4th Mer., subject to a first mortgage in favor of the Manufacturers Life Insurance Company, which had priority to all liens.

2. That the Mortgagee have started foreclosure proceedings and have secured Vesting Order, but have not yet registered such Order.

3. That in the event of foreclosure proceedings being completed, the liens will be eliminated from the said land, and that upon evidence to this effect being produced, it is desirable that the liens be discharged.

4. That at the time the advances were made the debtor held pre-emption entry to the S.E.¼. 35-3-12-W. 4th Mer., that such entry was cancelled and this quarter section is now vacant crown land.

.....

5. That the land is situate in an extremely dry District and has a very low value, being suitable only for grazing purposes, and as it will not be possible to bring the land back into use so long as it is encumbered with the liens of the original debtor, it is desirable that they be discharged from this quarter section.

6. That the chattel mortgage security taken as collateral for the advances was realized upon and the proceeds thereof applied on account of said advances in the year 1926.

7. That the debtor has now left the Country and there is no possibility of making any collection under his personal covenant.

The Board therefore recommends that the liens charged against the S.E.¼. 35-3-12-3. 4th Mer., be unconditionally cancelled and the total amount payable thereon be written off as uncollectible, in so far as this quarter section is concerned.

The Board further recommends that upon receipt of satisfactory evidence showing that title to the N.E.¼. 34-3-12-3. 4th Mer., and the S.W.¼. 35-3-12-3. 4th Mer., has passed to the Manufacturers Life Insurance Company, under foreclosure proceedings, that all liens charged against the said land be unconditionally discharged, and the total amount payable thereon be written off as uncollectible.

Vesting Order is registered, and the Provincial liens are eliminated thereby, the entire indebtedness be written off as uncollectible in so far as these lands are concerned.

RT: S.E.,33-3-12-W,4th Mer.

This was the debtor's pre-emption, his entry to which has been cancelled, and which is still vacant. The property is in an extremely dry district in the Province, and I do not consider it advisable that development of the property be hindered by retaining the former entrant's indebtedness as a charge against it. I recommend, therefore, that all liens be discharged as affecting this quarter section. Departmental Collectors seized and sold whatever chattels and grain this man had in his possession in the year 1926, and the proceeds of the said sale are credited in the above statement.

After having lost his land and his chattels the debtor left the Country entirely without assets, and he was last reported as being resident in Oregon, U.S.A. In his last letter to us he states that he was having an extremely hard time in earning sufficient funds to provide a livelihood for himself and family. He was at that time working as a day laborer in a Saw Mill. There is no hope of any collection being effected on account of this indebtedness, and I recommend that it be written off in its entirety.

Yours truly,

Dominion Member,
Mixed Grain Advisory Board.

Re: Account of J. C. Sturrock
B.E.S. 34-3-12-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

Joint- provincial and Federal advances of relief amounting to $259.73 were made to Mr. J. Sturrock in 1934 and 1934 on the security of the above-mentioned land. A payment of $112.73 was collected by the Province in 1935, and applied to the interest. The present standing of this account is:-

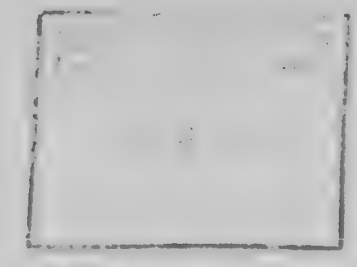

Principal	Interest	Total
$259.73	773.23	$1,673.00

The Provincial authorities have advised us that these liens are not registered against the title to this land.

By a Cabinet directive of the 17th of May, 1935, approval was granted to discontinue collections for compromise settlements after the 15th of April, 1935, and to cancel the remainder of the Federal share of outstanding indebtedness for seed grain, fodder for animals and other relief. The Province of Alberta was agreed to cancel their share of the joint Federal-Provincial indebtedness.

Therefore, it is recommended that the joint- provincial and federal indebtedness listed above be cancelled without any payment.

F. H. Wilson.
